Lemon-Aid New Cars and Trucks 2013 Phil Edmonston,2012-12-01 Canada s automotive Dr Phil says there s never been a better time to buy a new car or truck For deals on wheels 2013 will be a perfect storm There s never been a better time to buy a new car or truck thanks to a stronger Canadian dollar a worldwide recession driving prices downward and a more competitive Japanese auto industry that s still reeling from a series of natural disasters In addition to lower prices and more choices 2013 car buyers will see more generous cash rebates low financing rates bargain leases and free auto maintenance programs Buy sell or hold Which cars and trucks are wallet friendly and can easily last 15 years Which vehicles offer the most features to best accommodate senior drivers Do ethanol and hybrid fuel saving claims have more in common with Harry Potter than the Society of Automotive Engineers Is GM s 2013 Volt electric car destined to become an electric Edsel These questions and more are answered in this informative guide

Reference Librarianship Peter Sprenkle,Charles R Anderson,2013-04-03 A daily diary of actual interactions between a reference desk librarian and his patrons Reference Librarianship documents a year in the life of a young librarian working in the trenches at a library in the Midwestern United States This one of a kind book provides a daily diary of every librarian patron transaction no matter how mundane or absurd to demonstrate not only how advances in technology have affected the reference librarian s job but how the public s expectations have changed as well The book also

includes observations by a now retired reference librarian on the current state of the field based on these unedited interactions Over the past two decades the job of reference librarian has seen many changes But in many ways reference desk work hasn't changed a bit with its mix of odd humorous routine and ridiculous requests that capture what it's like to deal with patrons day after day Reference Librarianship paints a clear picture of the field for library school students provides emotional and philosophical support to practitioners and reminds library administrators of what life was like on the front lines A sampling of the daily transactions documented in Reference Librarianship Monday May 19 2003 pencil pencil network down I tell people that I can't sign them up for an Internet terminal because the network is down and they just stand there staring into space One of them asks for three days worth of newspapers microfiche machine explanation Sorry Sir the network is still down multiply by twenty and insert randomly into the remainder of the day magic tricks but he pretty much knew where they were One of our large interior plate glass windows shattered No one was hurt and it made a fascinating noise like a crystal waterfall landing on soil Books on prostitution you know whores Someone from the County called to ask if any criminal activity had occurred on a particular street Someone else referred her to us She was dubious with good reason Math puzzles Okay I show him the books Just math Certainly I show him the books I need them in Spanish Grrr Reference Librarianship is an enlightening educational and entertaining look at the real world of reference desk work It's an essential read for reference librarians both public and academic library administrators and library school students as well as anyone who works with the public
