My Father's House Thomas Dumm, 2014-09-29 In *My Father's House* the political philosopher Thomas Dumm explores a series of stark and melancholy paintings by the American artist Will Barnet Responding to the physical and mental decline of his sister Eva who lived alone in the family home in Beverly Massachusetts Barnet began work in 1990 on what became a series of nine paintings depicting Eva and other family members as they once were and as they figured in the artist's memory Rendered in Barnet's signature quiet abstract style the paintings each featured in full color present the ordinary and extraordinary aspects of a twentieth century American family Dumm first became acquainted with Barnet and his paintings in 2008 Given his scholarly focus on the lives of ordinary people he was immediately attracted to the artist's work When they met Dumm and Barnet began a friendship and dialogue that lasted until the painter's death in 2012 at the age of 101 This book reflects the many discussions the two had concerning the series of paintings Barnet's family his early life in Beverly and his eighty year career as a prominent New York artist Reading the almost gothic paintings in conversation with the writers and thinkers key to both his and Barnet's thinking Emerson Spinoza Dickinson Benjamin Cavell Nietzsche Melville Dumm's haunting meditations evoke broader reflections on family mortality the uncanny and the loss that comes with remembrance

The Story of My Father Sue Miller, 2007-12-18 In the fall of 1988 Sue Miller found herself caring for her father as he slipped into the grasp of Alzheimer's disease She was she claims perhaps the least constitutionally suited of all her siblings to be in the role in which she suddenly found herself and in *The Story of My Father* she grapples with the haunting memories of those final months and the larger narrative of her father's life With compassion self scrutiny and an urgency born of her own yearning to rescue her father's memory from the disorder and oblivion that marked his dying and death Sue Miller takes us on an intensely personal journey that becomes by virtue of her enormous gifts of observation perception and literary precision a universal story of fathers and daughters James Nichols was a fourth generation minister a retired professor from Princeton Theological Seminary Sue Miller brings her father brilliantly to life in these pages his religious faith his endless patience with his children his gaiety and willingness to delight in the ridiculous his singular gifts as a listener and the rituals of church life that stayed with him through his final days She recalls the bitter irony of watching him a church historian

wrestle with a disease that inexorably lays waste to notions of time history and meaning She recounts her struggle with doctors her deep ambivalence about many of her own choices and the difficulty of finding continually the humane and moral response to a disease whose special cruelty it is to dissolve particularities and to diminish in so many ways the humanity of those it strikes She reflects unforgettably on the variable nature of memory the paradox of trying to weave a truthful narrative from the threads of a dissolving life And she offers stunning insight into her own life as both a daughter and a writer two roles that swell together here in a poignant meditation on the consolations of storytelling With the care restraint and consummate skill that define her beloved and best selling fiction Sue Miller now gives us a rigorous compassionate inventory of two lives in a memoir destined to offer comfort to all sons and daughters struggling as we all eventually must to make peace with their fathers and with themselves My Father's Daughter Sheila Fitzpatrick, 2014-09-12 How does a daughter tell the story of her father Sheila Fitzpatrick was taught from an early age to question authority She learnt it from her father the journalist and radical historian Brian Fitzpatrick But very soon she began to turn her questioning gaze on him Teasing apart the many layers of memory Fitzpatrick reveals a complex portrait of an Australian family against a Cold War backdrop As her relationship with her father fades from girlhood adoration to adolescent scepticism she flees Melbourne for Oxford to start a new life But it s not so easy to escape being her father s daughter My Father's Daughter is a vivid evocation of an Australian childhood a personal memoir told with the piercing insight of a historian **My Father's Business**

Copeland, Esperanza Ramirez-Christensen, 2001-07-31 This provocative collection of essays is a comprehensive study of the father daughter dynamic in Japanese female literary experience Its contributors examine the ways in which women have been placed politically ideologically and symbolically as daughters in a culture that venerates the father They weigh the impact that this daughterly position has had on both the performance and production of women s writing from the classical period to the present Conjoining the classical and the modern with a unified theme reveals an important continuum in female authorship a historical approach often ignored by scholars The essays devoted to the literature of the classical period discuss canonical texts in a new light offering important

feminist readings that challenge existing scholarship while those dedicated to modern writers introduce readers to little known texts with translations and readings that are engaging and original Contributors Tomoko Aoyama Sonja Arntzen Janice Brown Rebecca L Copeland Midori McKeon Eileen Mikals Adachi Joshua S Mostow Sharalyn Orbaugh Esperanza Ramirez Christensen Edith Sarra Atsuko Sasaki Ann Sherif **Unspoken** Tom McGrath, 2022-03-17 Growing up in Waterford Tom McGrath never noticed the odd gaps in the stories of his parents lives before he was born it was only many years after they died that he uncovered the unspoken truths which did so much to explain the people they had been Here he tells the incredible true story of his father s conscription into the British Army his escape from a prisoner of war camp in Poland his daring journey across Europe and subsequent recapture and the devastating news that awaited him in England Tom s research also led him to discover that his mother also carried a heartbreaking secret In writing this book Tom not only recreated his father s nail biting escape but also embarked on a journey of his own to reconnect with previously unknown family members in order to piece together an extraordinarily rare tale that encompasses memoir family history and the parallel stories which were almost lost for ever of his parents lives of desperate hardship *My Father's Shadow* David L. My Father and I David Caron, 2011-02-23 It is a living museum of a long gone Jewish life and supposedly a testimony to the success of the French model of social integration It is a communal home where gay men and women are said to stand in defiance of the French model of social integration It is a place of freedom and tolerance where people of color and lesbians nevertheless feel unwanted and where young Zionists from the suburbs gather every Sunday and sometimes harass Arabs It is a hot topic in the press and on television It is open to the world and open for business It is a place to be seen and a place of invisibility It is like a home to me a place where I feel both safe and out of place and where my father felt comfortable and alienated at the same time It is a place of nostalgia innovation shame pride and anxiety where the local and the global intersect for better and for worse And for better and for worse it is a French neighborhood from My Father and I Mixing personal memoir urban studies cultural history and literary criticism as well as a generous selection of photographs My Father and I focuses on the Marais the oldest surviving neighborhood of Paris It also beautifully reveals the intricacies of the relationship between a Jewish father and a gay son each claiming the same neighborhood as his own Beginning with the history of the Marais and its significance in the construction of a French national identity David Caron proposes a rethinking of community and looks at how Jews Chinese immigrants and gays have made the Marais theirs These communities embody in their engagement of urban space a daily challenge to the French concept of universal citizenship that denies them all political legitimacy Caron moves from the strictly French context to more theoretical issues such as social and political archaism immigration and diaspora survival and haunting the public private divide and group friendship as metaphor for unruly and dynamic forms of community and founding disasters such as AIDS and the Holocaust Caron also tells the story of his father a Hungarian Jew and Holocaust survivor who immigrated to France and once called the Marais home
