

POETRY QUESTIONS AND ANSWERS

Leisure

What is this life, if full of care,
We have no time to stand and stare?

No time to stand beneath the boughs?
And stare as long as sheep or cows.

No time to see when wood we pass,
Where squirrels hide their nuts in grass.

No time to turn at Beauty's glance,
And watch her feet, how they dance.

No time to wait till her mouth can
Enrich that smile her eyes began.

A poor life this, if full of care,
We have no time to stand and stare.

Answer the following questions:

1. What is the theme of the poem?

- The beauty of nature which we fail to enjoy because of our busy life.

2. The poet has his regrets. What is he regretting? Why?

- He is regretting the dull life we are leading as we do not have enough time to look all the wonders God has created around us and fully enjoy and appreciate them.

3. Find two figures of speech and explain them.

a. Simile: streams full of stars like skies at night." The poet compares the streams to the skies that full of stars.

b. Personification: "No time to turn at Beauty's glance And watch her feet, how they dance." He personifies nature. He gives it some human characteristics like in " Her mouth can enrich that smile her eyes began."

c. Alliteration in the second and the last lines "stand" and Stare". It creates music.

4 What is the rhyme scheme of the poem?

- The poem is composed of fourteen lines. Each two lines rhyme. The first two lines and the last two lines have the same rhyme.

(aa-bb-cc-dd-ee-ff-aa)

5. Why does the poet want us to have some free time?

- To be able to have time to go out to the nature and contemplate God's creation and appreciate it.

6. Do you have time to go out to enjoy nature? What do you do?

Short Poems With Questions And Answers

Edward Jewitt Wheeler

Short Poems With Questions And Answers:

A Poetry Pedagogy for Teachers Maya Pindyck, Ruth Vinz, Diana Liu, Ashlynn Wittchow, 2022-08-25 A Poetry Pedagogy for Teachers generates imaginative encounters with poetry and invites educators to practice a range of poetry exercises in order to inform instructional approaches to reading and writing Guided by pedagogical principles prompted by their readings of Wallace Stevens Thirteen Ways of Looking at a Blackbird Maya Pindyck and Ruth Vinz provide critical discussion of prominent literacy practices in secondary classrooms and offer alternative approaches to encountering a text They do this by way of experimental readings of Wallace Stevens poem toward a set of thirteen pedagogical principles that anchor a pedagogy of poetic practices The book also offers invitational exercises the authors own engagements with poetry practices as well as student examples visual modes of theorizing and a gathering of relevant resources compiled by two classroom teachers This is a book for secondary English teachers teaching artists English educators college writing professors readers and writers of poetry both existing and aspirational and any educator interested in poetry s capacities to pedagogically inform their subject matter and or literacy practices

Writing and Workshopping Poetry: A Constructive Introduction Stephen Guppy, 2016-12-07 Most texts on creative writing emphasize either sources of inspiration or strategies for editing The process of getting from initial inspiration to final draft isn t often dealt with in any practical way Writing and Workshopping Poetry focuses on all three phases of the process of composition finding the material building and developing the poem from rough draft to complete work editing and refining The text offers everything students and instructors need extensive notes written in an accessible conversational style seventy five writing exercises and about a hundred poems chosen from a wide range of sources from sixteenth century sonnets to experimental constrained forms with an emphasis on exciting poems by contemporary American and Canadian poets Each chapter concludes with a brief point form summary of major learning objectives as well as a review list of useful terms

My Interactive Alphabet in Verse with Shape Poems Activities and Answers Patsy Dunstan, 2024-02-08 This workbook uses poetry an art form as old as time itself to awaken and motivate young minds to the joy of reading It is written for young children ages 3 to 5 years old What better way to introduce young children to the letters of the alphabet the backbone of the English language than through poetry Young children are fascinated with verse and learn them effortlessly In one section of the workbook the author also introduces shape poems to children The alphabet poems and shape poems are followed by questions This combination of poems and questions provides a meaningful experience for young children as they are also learning about sound building vocabulary learning to be more creative developing critical thinking skills and enhancing fluency The activities in this workbook allow children to practice and reinforce basic skills This workbook is also an effective tool for older children for whom English is a second language This workbook can become your child s companion at the park laundromat home on the bus train car or even on vacation Let s consciously promote a healthy learning experience for our children and help them become lifelong
