comprehensive study into traditional Russian speaking worship invaluable for understanding its historical theological and cultural perspectives and essential for mapping its future **American Spikenard** Sarah Vap, 2007-04 2006 Iowa Poetry Prize winner If everyone decided to call themselves a girl that word would stop In this award winning volume of authoritative and assertive poems Sarah Vap embarks on an emotional journey to the land of America's female children Questioning contradicting radically and restlessly demanding acceptance she searches for a way to move from serious girlhood to womanly love Demonstrating the seriousness of female childhood which is as dangerous and profound as war economics and history that is as manhood in her view Vap reveals the extremes of self doubt and self righteousness inherent in being a contemporary American girl When we're overcome by everything we think we love then by morning we're adults Just as the oil of American spikenard may provide relief from childhood so does Sarah Vap provide the kind of holy and extravagant love and honor that can relieve the growing pains of everyone's little girl **A Handbook to Sixteenth-Century Rhetoric** Lee
