Moralistic and Motivational Bedtime Short Stories for Kids Paichuu, 2015-05-11 Reading to children is a wonderful activity and past time that both parents and teachers enjoy Seeing their rapt excited faces when there s a mystery to be solved a surprise twist or a happy ending is all the reward one needs Not only are story books a child s first experience with written words and an introduction to education but they are also a way to stimulate imagination and dreams Some of the best short stories for kids are the classics These stories have been around for generations and are still best sellers and favorites in many families These tried and true books will be around as long as parents pass on their love for great stories and enjoyable reading Many of these classic books have lasted because kids have such a great time reading them They re fun and exciting and have beautiful and interesting illustrations Many great stories for kids are available today in the bookstores as well as online Few people today are aware of the fact that books written specifically for children did not exist before the 17th century Prior to that time period it is was generally accepted that books were written exclusively for adult readers In addition printed works were highly expensive and were available primarily to people of means Only minority of the adult population were literate and even a smaller percentage of children living at that time were able to read and write Today we are blessed with proliferation of children s literature with a great variety of stories for kids geared to different age levels The importance of reading to children is apparent to every parent We can start reading stories for kids even to a baby or a toddler Research shows that the baby in utero can hear her mother s voice and recognize it immediately after birth Certainly even young babies love to hear the voice of their mother or father Make sure to make the time you read with your child a pleasant time of bonding and closeness to create positive associations with this activity in the young child s mind Despite that this activity is of paramount importance never force your child to read or listen to stories It is much more important that the child enjoys the interaction between the two of you If he or she is not in the mood to listen to short stories for kids let him pick a game or different activity to do together The most important aspect of your interaction should be mutual enjoyment It is a good idea to encourage older siblings relatives and friends to read out loud to the younger children There are many types of short stories for kids available to all therefore you must search around according to your child s like and dislikes or whether you want to nudge them in a certain direction or not Short stories for kids are a great way to introduce kids to a new area of life or a new situation in a fun timely manner You should always make it a fun enjoyable thing to do it should be about you and your child or children bonding and them learning from it too **Robert S Short Stories** Robert D. Porter, 2014-05-05 Robertss short stories is a book of 10 short stories for children some of the stories are Mr grey squirrel a story about a adventure of a grey squirrel that has a adventure collecting nits Another story is Mr Pepper a story about a man that goes n an adventure A third story is about a social worker A woman who devotes her life helping others to obtain employment The

book has other stories that are for children or anyone who might like reading books that tells stories about animal adventures or adventures of other people like Mark Twains stories were Like stories you might find in a Library The adventures of Hackle Barry Fine Or stories like Alice in Wonder Land or any of Disney stories This book was written for not only children but for anyone who like to sit down on the couch at home or the bed and read a book that will take you in places you dream about Or take children into the life of their favorite animal Friends **Short Stories for Children** Rita Ford,2012-10-01 A
