

# The Common Application 2018-2019 Essay Prompts

Juniors can now begin the Common App at any time prior to the start of their senior year, and the information will roll over when the new Common App is released (typically in August). The only pieces that won't roll over are college specific questions, questions that have been changed or removed, or recommender information.

For the main essay (several schools will required shorter supplemental essays), the maximum length is 650 words. Anything beyond 650 words will be cut off!

## 2018-2019 Common Application Essay Prompts:

1. Some students have a background, identity, interest, or talent that is so meaningful they believe their application would be incomplete without it. If this sounds like you, then please share your story.
2. The lessons we take from obstacles we encounter can be fundamental to later success. Recount a time when you faced a challenge, setback, or failure. How did it affect you, and what did you learn from the experience?
3. Reflect on a time when you questioned or challenged a belief or idea. What prompted your thinking? What was the outcome?
4. Describe a problem you've solved or a problem you'd like to solve. It can be an intellectual challenge, a research query, an ethical dilemma - anything that is of personal importance, no matter the scale. Explain its significance to you and what steps you took or could be taken to identify a solution.
5. Discuss an accomplishment, event, or realization that sparked a period of personal growth and a new understanding of yourself or others.
6. Describe a topic, idea, or concept you find so engaging that it makes you lose all track of time. Why does it captivate you? What or who do you turn to when you want to learn more?
7. Share an essay on any topic of your choice. It can be one you've already written, one that responds to a different prompt, or one of your own design.

*The most popular essay prompt of the 2017-2018 application year (through January 5, 2018) is "Discuss an accomplishment, event, or realization that sparked a period of personal growth..." (23.6%), followed by the topic of your choice option (22.5%), and "Some students have a background, identity, interest, or talent that is so meaningful..." (21.4%).*
