

Simple exercises

Pendulum exercise

Stand with your good hand resting on a chair. Let your other arm hang down and try to swing it gently backwards and forwards and in a circular motion. Repeat about 5 times. Try this 2–3 times a day.

Shoulder stretch

Stand and raise your shoulders. Hold for 5 seconds. Squeeze your shoulder blades back and together and hold for 5 seconds. Pull your shoulder blades downward and hold for 5 seconds. Relax and repeat 10 times.

Door lean

Stand in a doorway with both arms on the wall slightly above your head. Slowly lean forward until you feel a stretch in the front of your shoulders. Hold for 15–30 seconds. Repeat 3 times. This exercise isn't suitable if you have a shoulder impingement.

Door press

a) Stand in a doorway with your elbow bent at a right angle and the back of your wrist against the door frame. Try to push your arm outwards against the door frame. Hold for 5 seconds. Do 3 sets of 10 repetitions on each side.

b) Use your other arm and, still with your elbow at a right angle, push your palm towards the door frame. Hold for 5 seconds. Do 3 sets of 10 repetitions on each side.
