Hall, Anna L. Weissman, Laura J. Shepherd, 2020 In global politics women's bodies are policed objectified surveilled and feared with particular attention paid to both their met or unmet procreative potential While the significance of motherhood varies across cultures it is as this book argues connected not just to gender and sexuality but also to religion and nationality Reproduction is central to the flourishing of any nation or culture and therefore motherhood is a major signifier of women's relationship to the state This is so much the case that states enact laws about which women can bear children and have supported sterilization efforts in cases where women are not deemed appropriate bearers of the nation States also legislate reproductive technologies adoption and government support for parenting By considering representations and narratives of maternity this volume shows how practices of global politics shape and are shaped by the gendered norms and institutions that underpin motherhood Motherhood matters in global politics Yet the diverse ways in which performances and practices of motherhood are constituted by and are constitutive of other dimensions of political life are frequently obscured or assumed to be of little interest to scholars policymakers and practitioners Featuring innovative and diverse chapters on the politics of motherhood as an institution this collection shows that maternity is troubled complicated and heterogeneous in global politics Thus performances and practices of motherhood warrant closer and more sustained scrutiny This book builds on work by feminist international relations scholars extending into disruptive spaces of queer theory literary critique and post colonial studies The chapters in this book consider the meaning of motherhood particularly during times of war versus peace the connections between motherhood and nationhood and reproduction of the state and care work and maternal labor particularly as performed by transnational workers Ultimately this book demonstrates the complex interconnections between the individual the state and the global through the lens of maternity **Bank Management**, 1993-07 **CMJ New Music Monthly**, 2001-04 CMJ New Music Monthly the first consumer magazine to include a bound in CD sampler is the leading publication for the emerging music enthusiast NMM is a monthly magazine with interviews reviews and special features Each magazine comes with a CD of 15-24 songs by well established bands unsigned bands and everything in between It is published by CMJ Network Inc **Grounded** Rie McGaha, 2008-07 Patty James is having a bad day She's just

lost her job and to make matters worse she s knocked on her butt by a couple of ill mannered teens while on her way home from the office As she struggles to deal with her scattered possessions torn hose and broken high heel who should stop to help her but a man whose looks would rival the Greek gods Dionysus God of Wine and Revelry is having a field day on Earth There s nothing he can t have and nothing he enjoys more than wearing himself out with endless day and nights of debauchery He never sleeps with the same woman twice rarely stays in the same city more than a few days and has no desire to change his lifestyle So why is he suddenly having a hard time keeping one little mortal female from invading his every waking thought Excerpt No problem I m Dion by the way he said and offered his hand He caught her before she was completely off balance Pleased to meet you Patty Is that short for Patricia No it s Patience It s such an old fashioned name I was named after my grandmother I always hated it so I shortened it when I was a kid I used to cry whenever anyone called me Patience I got teased a lot when I was a kid too You know how cruel kids can be She took a breath Stop rambling Patty You sound like an idiot Coffee I ll make coffee You sit She shook her head I m sorry Please sit Thank you Dion said with a big smile Do I make you nervous No she said lying through her teeth Good I don t want you to be nervous I m not she assured him and heard him chuckle as she went about making the coffee He sat at her tiny Formica kitchen table and when the coffee finished brewing she poured them each a cup and set a plate of sugar cookies on the table between them Do you take cream or sugar He shook his head his blonde hair falling around his shoulders and Patty felt her heart do a flip No he said I drink it black Patty stared at him not knowing what else to say He seemed to sense her utter loss of social skills and smiled again You have a nice apartment Lived here long About two years she answered There was another silence Why can t I make simple conversation with this man What do you do Were you coming home from work when we met on the street Nodding she said Yes Coming home from work for the last time actually I got laid off today downsizing they called it I m sorry to hear that I ll find another job she said more to herself than to him Well he said thank you for the coffee Patty And good luck to you in your job search He rose from the chair and started toward the door It was nice meeting you It was nice meeting you too Dion And thank you for being nice to me on the street and for bringing these papers to me You re welcome he said and smiled at her as he reached for the doorknob He paused a moment and looked at her kindly By the way I might know of a place that s hiring He handed her a business card Come by in the morning you might be surprised Thank you she said and took the card from him His fingers brushed hers and again she felt an electrical shock run up her arm She watched him step into the elevator and waved as the doors slid closed Then shutting the door of her apartment and leaning with her back against it she squealed Oh my god I don t believe this She looked at the business card Dionysus was printed in the middle of the card followed by an address and phone number but it gave no hint as to what his business might be Patty sighed It didn t matter though maybe her luck just changed for the better

Uber B. Yasanthi Perera, Pia A. Albinsson, 2020-01-16 Uber is one of the most innovative companies of our time This book provides a detailed analysis of the company and its success and goes beyond the

headlines about safety and culture Many of us are so accustomed to using Uber today that the name of the innovative ride sharing company has become a verb as in to Uber somewhere and yet Uber has been around only since 2010 Uber has disrupted the ride hailing industry from making it easier and more affordable to become an Uber driver than a cab driver to rating riders as well as drivers As an early pioneer in using technology to create a new business model and new efficiencies Uber is considered one of the most important case studies in the sharing economy However little in depth information exists on this innovative company This book traces Uber s origin and evolution in the face of competitive pressures discusses the company leadership and corporate culture addresses such controversies as rider and driver safety and sexual harassment of female employees and explores how the company is addressing these challenges Students of business entrepreneurs and anyone interested in the development and exponential growth of the sharing economy will benefit from reading this book
