*African American Culture and Society After Rodney King* Josephine Metcalf, Carina Spaulding, 2016-03-09 1992 was a pivotal moment in African American history with the Rodney King riots providing palpable evidence of racialized police brutality media stereotyping of African

Americans and institutional discrimination Following the twentieth anniversary of the Los Angeles uprising this time period allows reflection on the shifting state of race in America considering these stark realities as well as the election of the country's first black president a growing African American middle class and the black authors and artists significantly contributing to America's cultural output Divided into six sections The African American Criminal in Culture and Media Slave Voices and Bodies in Poetry and Plays Representing African American Gender and Sexuality in Pop Culture and Society Black Cultural Production in Music and Dance Obama and the Politics of Race and Ongoing Realities and the Meaning of Blackness this book is an engaging collection of chapters varied in critical content and theoretical standpoints linked by their intellectual stimulation and fascination with African American life and questioning how and to what extent American culture and society is past race The chapters are united by an intertwined sense of progression and regression which addresses the diverse dynamics of continuity and change that have defined shifts in the African American experience over the past twenty years

**Social Class on British and American Screens** Nicole Cloarec, David Haigron, Delphine Letort, 2016-03-15 At a time when debates about social inequality are in the spotlight it is worth examining how the two most popular media of the 20th and 21st centuries film and television have shaped the representation of social classes How do generic conventions determine the representation of social stereotypes How do filmmakers challenge social class identification How do factors such as national history geography and gender affect the representation of social classes This collection of new essays explores these and other questions through an analysis of a wide range of American and British productions from sitcoms and reality TV to documentaries and auteur cinema from the 1950s to the present

*The Knowledge Gap* Natalie Wexler, 2019-08-06 Essential reading for teachers education administrators and policymakers alike STARRED Library Journal The untold story of the root cause of America's education crisis It was only after years within the education reform movement that Natalie Wexler stumbled across a hidden explanation for our country's frustrating lack of progress when it comes to providing every child with a quality education The problem wasn't one of the usual scapegoats lazy teachers shoddy facilities lack of accountability It was something no one was talking about the elementary school curriculum's intense focus on decontextualized reading comprehension skills at the expense of actual knowledge In the tradition of Dale Russakoff's *The Prize* and Dana Goldstein's *The Teacher Wars* Wexler brings together history research and compelling characters to pull back the curtain on this fundamental flaw in our education system one that fellow reformers journalists and policymakers have long overlooked and of which the general public including many parents remains unaware But *The Knowledge Gap* isn't just a story of what schools have gotten so wrong it also follows innovative educators who are in the process of shedding their deeply ingrained habits and describes the rewards that have come along students who are not only excited to learn but are also acquiring the knowledge and vocabulary that will enable

them to succeed If we truly want to fix our education system and unlock the potential of our neediest children we have no choice but to pay attention

**Consumer Involvement in Private EU Competition Law Enforcement** Maria Ioannidou,2015-09-03 Despite the growing importance of consumer welfare in EU competition law debates there remains a significant disconnect between rhetoric and reality as consumers and their interests still play only an ancillary role in this area of law Consumer Involvement in Private EU Competition Law Enforcement is the first monograph to exclusively address this highly topical and much debated subject providing a timely and wide ranging examination of the need for more active consumer participation in competition law Written by an expert in the field it sets out a comprehensive framework of policy implications and arguments for greater involvement positioning the debate in the context of a broader EU law perspective It outlines pragmatic approaches to remedial and procedural measures that would enable consumer empowerment Finally the book identifies key institutional and political obstacles to the adoption of effective measures and suggests alternative routes to enhance the role of consumers in private competition law enforcement The book s innovative approach combining normative analysis and practical solutions make it invaluable for academics policy makers and practitioners in the field

**Bushwick's Bohemia** Mario Hernandez,2023-12-19 Viewed as a symbol of urban blight and decline in the late 1970s and 1980s Bushwick today is bustling and bursting with color creativity and commerce Cozy and cool cafes small boutiques trendy restaurants vibrant street murals and art galleries now adorn the neighborhood in the northern part of Brooklyn stoking its growing reputation as one of the more desirable places to live work in and visit In this book Mario Hernandez paints a precise picture that portrays the redevelopment evolution and ensuing gentrification of the Brooklyn neighborhood over recent decades Drawing on interviews developer reports and historical and civic records the author focuses closely on the artists and creative industries that moved to Bushwick and over time shaped the Bohemian art scene in the neighborhood and contributed to the growth of its vibrant urban economy The book connects the emergence and

ongoing development of the neighborhood's art scene to neoliberal policies and city planning efforts that have also facilitated and led to the increasing displacement of long time Black and Latinx residents It also documents community efforts to counteract forces of displacement and development revealing the complex competing and collective efforts to shape Bushwick and its future Culture and capital collide converge and contribute to rapid and radical change in Bushwick's bohemia making this an important read for those interested in urban life gentrification and social issues [100 questions and answers for job interview Offshore Drilling Platforms](#) PETROGAV INTERNATIONAL, This book offers you a brief but very involved look into the operations in the drilling of an oil gas wells that will help you to be prepared for job interview at oil gas companies From start to finish you'll see a general prognosis of the drilling process If you are new to the oil gas industry you'll enjoy having a leg up with the knowledge of these processes If you are a seasoned oil gas person you'll enjoy reading what you may or may not know in these pages This course provides a non technical overview of the phases operations and terminology used on offshore drilling platforms It is intended also for non drilling personnel who work in the offshore drilling exploration and production industry This includes marine and logistics personnel accounting administrative and support staff environmental professionals etc No prior experience or knowledge of drilling operations is required This course will provide participants a better understanding of the issues faced in all aspects of drilling operations with a particular focus on the unique aspects of offshore operations *The Meritocracy Trap* Daniel Markovits, 2020-09-08 A revolutionary new argument from eminent Yale Law professor Daniel Markovits attacking the false promise of meritocracy It is an axiom of American life that advantage should be earned through ability and effort Even as the country divides itself at every turn the meritocratic ideal that social and economic rewards should follow achievement rather than breeding reigns supreme Both Democrats and Republicans insistently repeat meritocratic notions Meritocracy cuts to the heart of who we are It sustains the American dream But what if both up and down the social ladder meritocracy is a sham Today meritocracy has become exactly what it was conceived to resist a mechanism for the concentration and dynastic transmission of wealth and privilege across generations Upward mobility has become a fantasy and the embattled middle classes are now more likely to sink into the working poor than to rise into the professional elite At the same time meritocracy now ensnares even those who manage to claw their way to the top requiring rich adults to work with crushing intensity exploiting their expensive educations in order to extract a return All this is not the result of deviations or retreats from meritocracy but rather stems directly from meritocracy's successes This is the radical argument that Daniel Markovits prosecutes with rare force Markovits is well placed to expose the sham of meritocracy Having spent his life at elite universities he knows from the inside the corrosive system we are trapped within Markovits also knows that if we understand that meritocratic inequality produces near universal harm we can cure it When *The Meritocracy Trap* reveals the inner workings of the meritocratic machine it also illuminates the first steps outward towards a new world that might once again afford dignity and prosperity to the American
