We publish books about shotguns, rifles, handguns, target shooting, gun collecting, self-defense, archery, ammunition, knives, gunsmithing, gun repair, and wilderness survival. We publish books on deer hunting, big game hunting, small game hunting, wing shooting, turkey hunting, deer stands, duck blinds, bowhunting, wing shooting, hunting dogs, and more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.

The Complete Guide to Physical Security Paul R. Baker, Daniel J. Benny, 2016-04-19. Creating a sound security plan involves understanding not only security requirements but also the dynamics of the marketplace, employee issues, and management goals. Emphasizing the marriage of technology and physical hardware, this volume covers intrusion detection, access control, and video surveillance systems, including networked video. It addresses the reasoning behind installations, how to work with contractors, and how to develop a central station for monitoring. It also discusses government regulations. Case examples demonstrate the alignment of security program management techniques with not only the core physical security elements and technologies but also operational security practices.

The Complete Guide to Hunting, Butchering, and Cooking Wild Game Steven Rinella, 2015-08-18. From the #1 New York Times bestselling author of *The MeatEater Fish and Game Cookbook* comes a comprehensive big game hunting guide perfect for first-time novices and seasoned experts, featuring more than 400 full-color photographs, including work by renowned outdoor photographer John Hafner. Steven Rinella was raised in a hunting family and has been pursuing wild game his entire life. In this first-ever complete guide to hunting, from hunting an animal to butchering and cooking it, the host of the popular hunting show *MeatEater* shares his own expertise with us and imparts strategies and tactics from many of the most experienced hunters in the United States, as well. This invaluable book includes recommendations on what equipment you will need and what you can do without, from clothing to cutlery to camping gear to weapons. Basic and advanced hunting strategies, including spot and stalk, hunting ambush, hunting still, hunting drive, hunting and backpack hunting, how to effectively use decoys and calling for big game, how to find hunting locations on both public and private land, and how to locate areas that other hunters aren't using, how and when to scout hunting locations for maximum effectiveness, basic information on procuring hunting tags, including limited entry draw tags, a species-by-species description of fourteen big game animals, from their mating rituals and preferred habitats to the best hunting techniques, both firearm and archery, for each species, how to plan and pack for backcountry hunts, instructions on how to break down any big game animal and transport it from your hunting site, how to butcher your own big game animals and select the proper cuts for sausages, roasts, and steaks, and how to utilize underappreciated cuts such as ribs and shanks, cooking techniques, and recipes for both outdoor and indoor preparation of wild game. Becoming a master hunter has never been so easy.
