Si Leader Training Manual:

Peer-to-peer Training Facilitator's Guide Michele N. Costanza, 2009 The peer to peer P2P training approach involves small groups of people from similar social groupings who are not professional teachers helping each other to learn The P2P approach has great potential for rapidly identifying emerging lessons learned and integrating them into wide reaching Army training The present research identified the instructional principles and best practices for P2P from academia industry and the military supporting effective P2P training and incorporated them into a Soldier friendly facilitator s guide A formative evaluation was conducted with Soldiers using the guide to prepare and conduct group discussions for a face to face group setting and a distributed group setting where Soldiers were linked via video teleconference One group of Soldiers served as facilitators and used the facilitator s guide to prepare and lead discussions with other Soldiers who served as learners Feedback on the guide was mostly positive with Soldiers indicating that the guide provided an appropriate amount of information and a usable format and tools for structuring and fostering group discussions Ongoing efforts to transition P2P methods into Army training are discussed

Supplemental Instruction Abbas Strømmen-Bakhtiar, Roger Helde, Elizabeth Susen, 2021 Supplemental Instruction is a program designed to support students in their learning process The program consists of advanced students supervising new students where the purpose is to improve students performance and reduce the risk of interruption of studies Supplemental Instruction was established almost 50 years ago and is used today in universities around the world This book is about student learning processes and Supplemental Instruction which includes everything from learning activities in SI to developing guidance skills of leaders and more The book also deals with a comparison of Supplemental Instruction with other group oriented learning activities and practical aspects of the programme The book is aimed at anyone who is concerned about study quality in higher education The contributors are researchers and lecturers at various universities from several countries The book is part of a trilogy on Supplemental Instruction where the themes for the other books are Digital Technologies and Organisation and Leadership The editors of the trilogy are Abbas Strømmen Bakhtiar Roger Helde and Elisabeth Susen all three Associate Professors at Nord University Norway
