St. Pierre, 1995 **Early Childhood Curriculum for All Learners** Ann M. Selmi, Raymond J. Gallagher, Eugenia R. Mora-Flores, 2014-08-12 Early Childhood Curriculum for All Learners Integrating Play and Literacy Activities is designed to teach early childhood professionals about the latest research on play and early literacy and then to show them practical methods for adapting this research to everyday classroom practices that will encourage the development of learning skills The authors link solid play based research to specific developmentally appropriate practices By combining these two areas the text demonstrates that academic learning and play activities are highly compatible and that children can and do develop academic skills through play In addition the text focuses on socio dramatic play a recently acknowledged essential aspect of child initiated play interactions It provides specific strategies that link these interactive behaviors with the early academic skills needed for the initial primary grades Implementation of the information presented in this book will enable children to experience a richer transition into primary education classrooms *Positive Behavior Interventions and Supports for Preschool and Kindergarten* Marla J. Lohmann, 2021-08-24 Positive Behavior Interventions it has shown to be effective from preschool through high school Positive Behavior Interventions and Supports for Preschool and Kindergarten will provide specific information for preschool and kindergarten teachers on creating and implementing a classroom wide behavior management system as well as research based interventions for addressing challenging behaviors Anecdotes and real world examples illustrate the concepts presented by Dr Marla J Lohmann *Top 50 Creative Bible Lessons Preschool* Rose Publishing, 2020-03 Top 50 Creative Bible Lessons for Preschoolers has everything you need to teach children ages two to five for a whole year It s filled with great Bible stories step by step easy to use instructions fun activities and TONS of reproducible pages These lessons have everything you need to reach young children with the good news of God s amazing love Each Bible Lesson for Preschoolers

The Educated Child Chester E. Finn, Jr., John T. E. Cribb, Jr., William J. Bennett, 1999-12-24 If you care about the education of a child you need this book Comprehensive and easy to use it will inform empower and encourage you Just as William J Bennett s The Book of Virtues has helped millions of Americans teach young people about character The Educated Child delivers what you need to take control With coauthors Chester E Finn Jr and John T E Cribb Jr former Secretary of Education Bennett provides the indispensable guide Championing a clear back to basics curriculum that will resonate with parents and teachers tired of fads and jargon The Educated Child supplies an educational road map from earliest childhood to the threshold of high

school It gives parents hundreds of practical suggestions for helping each child succeed while showing what to look for in a good school and what to watch out for in a weak one The Educated Child places you squarely at the center of your young one's academic career and takes a no nonsense view of your responsibilities It empowers you as mothers and fathers enabling you to reclaim what has been appropriated by experts and the education establishment It outlines questions you will want to ask then explains the answers or non answers you will be given No longer will you feel powerless before the education system The tools and advice in this guide put the power where it belongs in the hands of those who know and love their children best Using excerpts from E D Hirsch's Core Knowledge Sequence The Educated Child sets forth a state of the art curriculum from kindergarten through eighth grade that you can use to monitor what is and isn't being taught in your school It outlines how you can help teachers ensure that your child masters the most important skills and knowledge It takes on today's education controversies from phonics to school choice from outcomes based education to teaching values from the education of gifted children to the needs of the disabled Because much of a youngster's education takes place outside the school The Educated Child also distills the essential information you need to prepare children for kindergarten and explains to the parents of older students how to deal with such challenges as television drugs and sex If you seek high standards and solid time tested content for the child you care so much about if you want the unvarnished truth about what parents and schools must do The Educated Child is the one book you need on your shelf
