Mercy of a Rude Stream: The Complete Novels Henry Roth, 2014-07-28

This landmark of the American literary century Boston Globe is finally published as one volume appearing with a brilliant new introduction Sixty years after the publication of his great modernist masterpiece *Call It Sleep* Henry Roth a retired waterfowl farmer already in his late eighties shocked the literary world with the announcement that he had written a second novel It was called he reported *Mercy of a Rude Stream* the title inspired by Shakespeare and it followed the travails of one Ira Stigman whose family had just moved to New York's Jewish Harlem in that ominous summer of 1914 It is like hearing that J D Salinger is preparing a sequel to *The Catcher in the Rye* the New York Times Book Review pronounced while *Vanity Fair* extolled Roth's new work as the literary comeback of the century Even more astonishing was that Roth had not just written a second novel but a total of four chronologically linked works all part of *Mercy of a Rude Stream* Dying in 1995 at the age of eighty nine Roth would not live to see the final two volumes of this tetralogy published yet the reappearance of *Mercy of a Rude Stream* a fulfillment of Roth's wish that these installments appear as one complete volume allows for a twenty first century public to reappraise this late in life masterpiece just as *Call it Sleep* was rediscovered by a new generation in 1964 As the story unfolds we follow the turbulent odyssey of Ira along with his extended Jewish family friends and lovers from the outbreak of World War I through his fateful decision to move into the Greenwich Village apartment of his muse and older lover the seductive but ultimately tragic NYU professor Edith Welles Set in both the fractured world of Jewish Harlem and the bohemian maelstrom of the Village *Mercy of a Rude Stream* echoes Nabokov in its portrayal of sexual deviance and offers a harrowing and relentless family drama amid a grand panorama of New York City in the 1910s and Roaring 20s Yet in spite of a plot that is fraught with depictions of menace violence and intense self loathing *Mercy of a Rude Stream* also contains a cathartic even redemptive overlay as provocative as anything in the chapters of *St Augustine* Los Angeles Times in which an elder Ira haunted by the sins of his youth communes with his computer Ecclesias as he recalls how his family's traditional piety became corrupted by the inexorable forces of modernity As Ira finally decides to get the hell out of Harlem his Proustian act of recollection frees him from the ravages of old age and suddenly he is in his prime again the entire telling of

Mercy his final pronouncement Mercy of a Rude Stream is that rare work of fiction that creates through its style and narration a new form of art Indeed the two juxtaposed voices one of the little boys swimming in a sea of glory the other of one of those same boys in old age being rudely swept to sea creates a counterpoint jarring yet oddly harmonious that makes this prophetic American work such an lasting statement on the frailties of memory and the essence of human consciousness Mercy of a Rude Stream The Complete Novels includes A Star Shines Over Mt Morris Park A Diving Rock on the Hudson From Bondage and Requiem for Harlem **Do You Remember Being Born?** Sean Michaels,2023-09-05 FINALIST FOR THE 2023 PARAGRAPH HUGH MACLENNAN AWARD FOR FICTION Scotiabank Giller Prize winner Sean Michaels luminous new novel takes readers on a lyrical joy ride seven epic days in Silicon Valley with a tall formidable poet inspired by the real life Marianne Moore and her unusual new collaborator a digital mind just one month old It s both a love letter to and an aching examination of art making family identity and belonging Dear Marian the letter from the Company begins You are one of the great writers of this century At 75 Marian Ffarmer is almost as famous for her signature tricorne hat and cape as for her verse She has lived for decades in the one bedroom New York apartment she once shared with her mother miles away from any other family dedicating herself to her art Yet recently her certainty about her choices has started to fray especially when she thinks about her only son now approaching middle age with no steady income Into that breach comes the letter an invitation to the Silicon Valley headquarters of one of the world s most powerful companies in order to make history by writing a poem Marian has never collaborated with anyone let alone a machine but the offer is too lucrative to resist and she boards a plane to San Francisco with dreams of helping her son In the Company s serene and golden Mind Studio she encounters Charlotte their state of the art poetry bot and is startled to find that it has written 230 442 poems in the last week though it claims to only like two of them Over the conversations to follow the poet is by turns intrigued confused moved and frightened by Charlotte s vision of the world by what it knows and doesn t know Do you remember being born it asks her Of course Marian doesn t but Charlotte does This is a relationship a friendship unlike anything Marian has known and as it evolves and as Marian meets strangers at swimming pools tortoises at the zoo a clutch of younger poets a late night TV host and his synthetic foam set she is forced to confront the secrets of her past and the direction of her future Who knew that a disembodied mind could help bend Marian s life towards human connection that friendship and family are not just time eating obligations but soul expanding joys Or that belonging to one s art means above all else belonging to the world
