originated what caused and happened during and after the trial what happened to the trial s participants and why the trial
still matters nearly 100 years later Ongoing controversies about school curricula such as the teaching of Critical Race Theory
and the role of parents in public education can all be traced to the Scopes Trial Today the question remains who controls the
school curriculum This was a foundational issue in the Scopes Trial and we have been debating this question ever since This
book will help readers understand where these controversies originated and how courts politicians and the public handled
these issues nearly a century ago Featuring new information from previously untapped sources and providing an in depth
study of John Scopes himself this book interrogates the facts fictions and legend of the Scopes Trial which historians rank as
