Some Unfinished Chaos Arthur Krystal,2023-09-12 Surely enough has been written about F Scott Fitzgerald the man who coined the Jazz Age and symbolized the Roaring Twenties whose very name conjures up a meteoric rise and an equally spectacular fall But the better question might be Why has so much ink been spent on a writer who completed only four novels who fell from grace in the 1930s only to be resurrected twenty years later The answer according to the cultural critic Arthur Krystal is the problem that is Fitzgerald Drawn to the glitter of fame but aspiring to the empyrean heights of Joseph Conrad and James Joyce Fitzgerald careened from the perfection of *The Great Gatsby* to the hack world of Hollywood screenwriting penning stories that were either brilliant distillations of the age or superficial works of fiction Like America itself Fitzgerald was a work in progress a self created and conflicted human being striving for ideals that neither he nor the nation could ever live up to Beset by contradictions buoyed by hope fueled by alcohol unable to settle permanently in any one place Fitzgerald possessed what John Updike aptly described as an aptitude for chaos and a dream of order In this unusual and concise biography more a layering of impressions than a chronological

guide Krystal gives us not only the peripatetic and turbulent life of a cultural icon but also the intellectual sweep of a period in history that created our modern America Some Unfinished Chaos delivers a nuanced portrait of a man whose various sides embodied the trends passions and pursuits of the imperfect society that both glorified and dismissed him **Six Years With the Texas Rangers** James B. Charles Beard,2010-12 This book is a collection of short stories designed to be used for reading practice and entertainment for home and classroom readers It consists of 50 mostly fictional stories in several different interest areas The areas include adults boys and girls animals strange happenings directions lifelike objects humor and others Many of these stories contain an introduction of factual information followed by a fictional story In selected stories there is another story following it that is related to it in some way I have been associated with education most of my life from being a teacher a counselor and a sales representative for a company whose main business was selling to the education market Then for many years that followed I have worked as a developer of educational software in reading writing and math My favorite part of developing was always the creation of new stories and that is why I decided to put this new book together The Devotional Tales Nick

Shelton,2004-12 Cancer s Seeming Madness is about David a forty three year old agnostic son who during his cancerous terminal illness as he was searching for truth described his bewilderment as seeming madness This book will help persons confronted with the mystery of suffering and death especially when the issues are personified as they impinge on their own lives or on the lives of ones loved The book is unique in its focus on moments of humor and deep interpersonal relationships David s own words and actions mollify somewhat the vivid portrayal of his search for truth and meaning Is there a God who

speaks to us through the natural world and circumstances rarely identified with spiritual truth Does the old word providence often associated with Biblical belief have any meaningful place in a world where science and technology seem to reign supreme Can we see the face of God in art and feel a divine presence in human relationships You ll likely be surprised by the answers that David and those close to him found as they caught a glimpse of the Spirit at work through their tears and laughter Perhaps as you read Cancer s Seeming Madness the mystery of life will begin to open like a flower in spring and you will see the colors of peace purpose and hop as signs of God s presence nurtured by insights in this intriguing book that the author dares call God s Story

Just My Story A Slave of Destiny John R. Simpson, Sr.,2024-06-18 Having worked for almost fifty years of my life and ultimately retiring from two separate careers I found myself sitting at home obsessed with the question what do I do now I watched numerous daily programs on TV I knew I had to do something or risk the chance of just fading away During these thought processes I wondered back over my life day in and day out For some reason I found it difficult to believe that I had accomplished so much in my life yet so little I knew there was more to come After stumbling upon some memories which I thought were long forgotten I just knew I had to put those thoughts to paper before they were forgotten again Thus began three years of writing my life story so much so that some publishers recommended I write two books The motivation to write my life story was also a desire to leave my two children five grandchildren and now five great grandchildren some semblance of not only my life story but that of our immediate ancestors This book is my legacy in my own words the way I saw it for them and others who may be interested in the story of a little boy from Selma Alabama
