Organizations Norman D. Bates, Esq.,Christine Army, MA,2015-12-15 Child sexual abuse CSA is an insidious crime that can destroy the lives of innocent children and leave their families devastated The topic of child sexual abuse is at best a difficult subject to discuss and at worst a horrifying one Child sexual abuse has been defined as Child sexual abuse involves any sexual activity with a child where consent is not or cannot be given This includes sexual contact that is accomplished by force or threat of force regardless of the age of the participants and all sexual contact between an adult and a child regardless of whether there is deception or the child understands the sexual nature of the activity Sexual contact between an older and a younger child also can be abusive if there is a significant disparity in age development or size rendering the younger child incapable of giving informed consent The sexually abusive acts may include sexual penetration sexual touching or non contact sexual acts such as exposure or voyeurism The following is a representative list of risk factors related specifically to child sexual abuse within youth serving organizations Note that the emphasis is on unsupervised access to children in a variety of ways Unsupervised contact with children Transportation of children Long term contact with children in live in situation Extreme physical exertion in a remote setting with children Visit to children s homes Helping children change clothes bathe or with other personal activities Coaching sports in which physical contact between adult and child is routine Delivery of meals to children s homes While many of the YSO s have undertaken a number of steps to keep the children safe

there are many such organizations that have not faced the facts about the profound risks to children that exist every day

Media and Its Role in Protecting the Rights of Children in Africa Oyero, Olusola, 2019-10-18 Many international and national charters and declarations have sought to define and protect the rights of children and ensure their safety Although many African countries subscribe to these international conventions and charters rights violations against children have not diminished and negative actions against children are still carried out daily Though the media have been charged with the responsibility of active involvement in protecting the interest of the child it is important to examine how well they have fared in the performance of this duty and the challenges that occur in the process as well as identify future pathways to ensure that the media succeeds in this assignment Media and Its Role in Protecting the Rights of Children in Africa is an essential research publication that examines media roles challenges theories and strategies to ensuring the realization of the rights of children Featuring a range of topics such as cyber ethics media studies and sustainable development this book is essential for reporters journalists newscasters broadcasters communication specialists government officials activists humanitarians sociologists psychologists social workers professionals researchers non governmental organizations policymakers academicians and students
