Lección 4A: Barrios con carácter

To begin the lesson, show students photos of points of interest in the La Latina neighborhood of Madrid: restaurants, streets, markets, cafes, and more. Use the photos to review and introduce vocabulary related to places in a city, and to give students a sense of the atmosphere of La Latina. Ask students: *¿Qué es la Latina?* / *¿Por qué? ¿Qué es una? ¿Qué es?*

La Latina en directo (B6–B7)

Introducción

Introduce the theme of the lesson by drawing students' attention to the photograph on p. B6 of the Madrid neighborhood La Latina. Ask students: *¿Qué hay en la foto?* and *¿Es un barrio tradicional o moderno?* Answer: *es muy* / *Es muy antiguo* and *es un barrio tradicional*. Ask students: *¿Qué más hay en La Latina?* There can refer to both the region (as in the brochure) and to some on the map. (Possible answers: restaurantes, tiendas, bares, iglesias, plazas, parques, calles, parques de niños y de taxi.)

1

Objective: Reading comprehension Identifying global information in a written text, exposure to new vocabulary

2

Have students read the short reading and identify responses. Read the directions to the first activity, along with the questions. Encourage students to be ready. Read the text aloud and then give the three questions to the class. Ask: *¿Por qué La Latina es un barrio tradicional y moderno al mismo tiempo?* Students should identify in what ways La Latina can be considered "traditional" and in what ways it can be considered "modern."

3

Objective: Listening comprehension Identifying global information in an audio format, exposure to close changing verbs

4

Remind students that they are not expected to understand every word of the audio recording, but that they should focus on key vocabulary words to get the gist of the conversation. Play the audio recording and ask students to listen for and get down key words. After they listen, make students to share the key words they noted, and write them on the board. If necessary, play the recording a second time. Then have the class answer the questions in **Activity 2**. Point out that the present tense are all present. After working through the activity, introduce the conjugation of the verb **pasar**. Drawing students' attention to the stem change. You may want to write the conjugation on the board in a two-column format and show students how **pasar** is another verb with. You may also write to **MPs** on p. B6. You may also want to point out the use of **pasar de** in the questions and **pasar que** in the answers.

Exposición

To give students additional practice with **pasar de** and **pasar que**, have them brainstorm a list of neighborhoods in the city or town where you college is located, and a list of activities that can be used to describe neighborhoods. Then have students work in pairs, asking each other: *¿Qué planes de + (subject)?* and answering: *¿Pasan que se + (subject)?* After students have finished, point out to them that in English we often have set the word that the expression of **que** is an answer, but that **que** is mandatory in Spanish.
