Lección 4A: Barrios con carácter

To begin the lesson, show students photos of points of interest in the La Latina neighborhood of Madrid: restaurants, streets, markets, cafes, and more. Use the photos to review and introduce vocabulary related to places in a city and to give students a sense of the atmosphere of La Latina. Ask students: *¿Qué es la Latina?* *¿Por qué? ¿Desde cuándo? ¿Cómo es?*

La Latina en directo (B6–B7)

Introduction

Introduce the theme of the lesson by showing students' attention to the photograph on p. 48 of the Madrid neighborhood La Latina. Ask students: *¿Qué hay en la foto?* and *¿Es un barrio tradicional o moderno?* Answer: *más viejo*. You may also wish to have students look at the master guide and maps on p. 87 to locate La Latina. Ask students: *¿Qué más hay en La Latina?* There can refer to both the region (for the barbers and to some on the map: *Posible personas: matemáticos, cineastas, hombres, iglesias, plazas, parques, calles, personas de teatro y de taxi*.)

1 **Objective: Reading comprehension** Identifying global information in a written text, exposure to new vocabulary

Have students read the short reading and identify responses. Read the directions to the first activity, along with the questions, to prepare students for the reading. Read the text aloud and then give the three questions to the class. Ask: *¿Por qué La Latina es un barrio tradicional y moderno al mismo tiempo?* Students should identify in what ways La Latina can be considered "traditional" and in what ways it can be considered "modern."

2 **Objective: Listening comprehension** Identifying global information in an audio format, exposure to close changing verbs

Remind students that they are not expected to understand every word of the audio recording, but that they should focus on key vocabulary words to get the gist of the conversation. Play the audio recording and ask students to listen for and get down key words. After they listen, make students to share the key words they noted, and write these on the board. If necessary, play the recording a second time. Then have the class answer the questions in **Activity 2**. Point out that the present tense are all repeated after working through the activity, introduce the conjugation of the verb **gustar** (showing students' attention to the stem change). You may want to write the conjugation on the board in a two-column format and show students how **gustar** is another kind verb. You may also write to **48.3** on p. 88. You may also want to point out the use of **gustar de** in the questions and **gustar que** in the answers.

Expansion

To give students additional practice with **gustar de** and **gustar que**, have them brainstorm a list of neighborhoods in the city or town where you believe is interesting and a list of activities that can be used to describe neighborhoods. Then have students work in pairs, asking each other: *¿Qué planes de + (un)placidos?* and answering: *Planes que se + (un)placidos*. After students have finished, point out to them that in English we often have not the word that the equivalent of **que** is not present, but that **que** is mandatory in Spanish.
