World Development Report 2011 World Bank,2011-05-01 The 2011 WDR on Conflict Security and Development underlines the devastating impact of persistent conflict on a country or region s development prospects noting that the 1.5 billion people living in conflict affected areas are twice as likely to be in poverty Its goal is to contribute concrete practical suggestions on conflict and fragility

Coolie Woman Gaiutra Bahadur,2022-12-22 Shortlisted for the Orwell Prize Bahadur combines her journalistic eye for detail and story telling gifts with probing questions a haunting portrait The Independent In 1903 a young woman sailed from India to Guiana as a coolie the British name for indentured laborers who replaced the newly emancipated slaves on sugar plantations all around the world Pregnant and traveling alone this woman

like so many coolies disappeared into history Now in *Coolie Woman* her great granddaughter embarks on a journey into the past to find her Traversing three continents and trawling through countless colonial archives Gaiutra Bahadur excavates not only her great grandmother's story but also the repressed history of some quarter of a million other coolie women shining a light on their complex lives Shunned by society and sometimes in mortal danger many coolie women were runaways widows or outcasts Many left husbands and families behind to migrate alone in epic sea voyages traumatic middle passages only to face a life of hard labor dismal living conditions and especially sexual exploitation As Bahadur explains however it is precisely their sexuality that makes coolie women stand out as figures in history Greatly outnumbered by men they were able to use sex with their overseers to gain various advantages an act that often incited fatal retaliations from coolie men and sometimes larger uprisings of laborers against their overlords Complex and unpredictable sex was nevertheless a powerful tool Examining this and many other facets of these remarkable women's lives *Coolie Woman* is a meditation on survival a gripping story of a double diaspora from India to the West Indies in one century Guyana to the United States in the next that is at once a search for roots and an exploration of gender and power peril and opportunity

Crime Fiction in the Caribbean Lucy Evans, 2024-09-18 *Crime Fiction in the Caribbean Reframing Crime and Justice* is the first academic book to focus on crime fiction by anglophone Caribbean writers It explores how contemporary writers experiment with the crime genre in order to convey contextualize and comment on crime and justice in Caribbean countries Lucy Evans reads crime fiction as a versatile mode of writing that can be politically engaged and that in a Caribbean context can expose power structures embedded in the region's multi layered history of colonial conquest genocide of Indigenous populations plantation agriculture transatlantic slavery and indentured labour This book covers fiction set in Trinidad and Tobago Jamaica Guyana Barbados Grenada and Haiti discussing novels by Elizabeth Nunez Jacob Ross Marlon James Harischandra Khemraj Esther Figueroa Edwidge Danticat Cherie Jones and several others Evans considers how fiction by anglophone Caribbean writers not only reflects upon the social realities of crime and crime control in the Caribbean but also at times contests or complicates scholarly popular and legal perspectives She argues that through their engagement with the crime genre these writers raise pressing questions about what constitutes crime and justice in a Caribbean context and about accountability Looking beyond the traditional focus of crime fiction and criminology on individual acts of wrongdoing their fiction highlights systemic social harms rooted in the region's colonial past Reading crime fiction through the lens of criminological research *Crime Fiction in the Caribbean* brings the study of literary writing into scholarly debate on crime in the Caribbean At the same time it extends the global turn in crime fiction studies focusing on a region that has been sidelined even in studies which examine the genre's international dimensions

The Routledge International Handbook of Young Children's Rights Jane Murray, Beth Blue Swadener, Kylie Smith, 2019-10-28 Written to commemorate 30 years since the United Nations Convention on the Rights of the Child UNCRC *The Routledge International Handbook of Young Children's Rights* reflects upon the status of children

aged 0-8 years around the world whether they are respected or neglected and how we may move forward. With contributions from international experts and emerging authorities on children's rights, Murray Blue, Swadener and Smith have produced this highly significant textbook on young children's rights globally. Containing sections on policy along with rights to protection, provision and participation for young children, this book combines discussions of children's rights and early childhood development and investigates the crucial yet frequently overlooked link between the two. The authors examine how policy, practice and research could be utilised to address the barriers to universal respect for children to create a safer and more enriching world for them to live and flourish in. The Routledge International Handbook of Young Children's Rights is an essential resource for students and academics in early childhood education, social work and paediatrics as well as for researchers, policymakers, leaders and practitioners involved in the provision of children's services and paediatric healthcare and international organisations with an interest in or ability to influence national or global policies on children's rights.

Decolonial Perspectives on Entangled Inequalities Encarnación Gutiérrez Rodríguez, Rhoda Reddock, 2021-02-26

This book engages with decolonial social and cultural analyses of global entangled inequalities by focusing on their local articulations globally and in particular in Germany, Trinidad and Tobago and the United Kingdom. *Understanding Crime in Jamaica* Anthony Harriott, 2003. Examines the growing crime problem in Jamaica and explores the relationship between crime, politics and the economy and analyses the impact of crime on tourism. The articles collected here provide a comprehensive analysis of the causes, consequences and control of crime and they point the way to solving Jamaica's escalating criminal activity. Congressional Record United States. Congress, 2008. The Congressional Record is the official record of the proceedings and debates of the United States Congress. It is published daily when Congress is in session. The Congressional Record began publication in 1873. Debates for sessions prior to 1873 are recorded in *The Debates and Proceedings in the Congress of the United States* 1789-1824, the *Register of Debates in Congress* 1824-1837 and the *Congressional Globe* 1833-1873.

The Greenwood Encyclopedia of Children's Issues Worldwide Irving Epstein, 2007-12-30. From the skyrocketing AIDS rate in Haiti to the oppressive pollution in industrial China, from the violent street culture of Nigeria to the crippling poverty in Nicaragua, from child trafficking in Thailand to child marriages in India, this jam-packed six-volume set explores all these issues and more in an unprecedented look at the world's children at the dawn of the 21st century. In recent years, while many countries have enjoyed a higher standard of living and improved working conditions, others have been torn apart by war and incapacitated by famine and are struggling to improve life for their children and their future. Recent concern over the world's children has resulted in a global attempt to define what constitutes an acceptable childhood. New attention has been paid not only to healthcare and secondary education but also to the right to play and increased access to technology. The UN's codification of children's rights has done much to expand our understanding of what is needed for healthy growth and development of children and youth. Organized by region, *The Greenwood Encyclopedia of Children's*

Issues Worldwide is the first globally focused set of this magnitude offering extensive up to date coverage of these critical issues Original chapters accessibly synthesize current data on key topics including education play and recreation child labor family health laws and legal status religious life abuse and neglect and growing up in the 21st century *World Report 2021* Human Rights Watch,2021-02-02 The best country by country assessment of human rights The human rights records of more than ninety countries and territories are put into perspective in Human Rights Watch s signature yearly report Reflecting extensive investigative work undertaken by Human Rights Watch staff in close partnership with domestic human rights activists the annual World Report is an invaluable resource for journalists diplomats and citizens and is a must read for anyone interested in the fight to protect human rights in every corner of the globe *Conflict and Fragility Linking Security System Reform and Armed Violence Reduction Programming Note* OECD,2011-03-30 To help experts and practitioners working to tackle the problem of armed violence three Programming Notes build on the 2009 publication entitled Armed Violence Reduction Enabling Development These three notes cover Armed violence in urban areas **Negotiating the Power of NGOs** Reem Wael,2019-04-11 Explores the role of NGOs as mediators in crucial litigation cases on women s rights in South Africa **Crime and Violence in the Caribbean** Association of Caribbean Universities and Research Institutes. Social Development Through Communication Project,Gary Brana-Shute,1976 [A Critical Analysis of the Efficacy of Law as a Tool to Achieve Gender Equality](#) Natalie Persadie,2012-07-26 Law is often perceived as an instrument that can effect social change While this might be so it must be complemented by the necessary financial and human resources to make the law effective Natalie Persadie explains that among developing countries such as Trinidad and Tobago the achievement of legal advances for women at either the international or national levels is particularly difficult where practical measures are not subsequently implemented This is perhaps attributable to a lack of political will Important issues such as gender equality and domestic violence are not given priority and laws aimed at protecting women and promoting women s rights are ineffective scant or unenforced Gender justice can only be realized through a multilevel approach from above and more importantly from below as women have the potential to effect real national and international legal and institutional change to ensure gender equality at both levels [Illicit Firearms Markets and Organized Crime](#) ,2024-12-13 Illicit firearms are a key enabler of organized criminal groups and illegal trade They facilitate conflict over control of these markets deter legitimate state actors from intervening are deployed to threaten and coerce communities to extort money from victims and to facilitate a range of crimes The sale of illegal firearms and organized crime combine to cause significant economic social and political harm There is a clear and pressing need for better understanding of how illicit firearms markets are related to other forms of transnational organized crime including drug trafficking Illicit Firearms Markets and Organised Crime is an interdisciplinary collection with contributions from leading and emerging experts whose research considers the intersections between illicit firearms organized crime and criminal networks across the globe This cutting edge research considers the trade of illegal

firearms in different regions with a specific focus on the interconnections and interrelationships between this trade and organised crime Each chapter considers a particular global region and or a specific thematic area and sheds light on the links between the markets the trafficking of firearms and organized crime A number of key themes emerge from this collection including the methods and routes by which firearms enter illicit markets illegal firearms as facilitators and enablers of other criminal markets and crimes the role of illicit firearms in exacerbating organized crime and violence as well as policy responses to illegal firearms and the efficacy of such including unintended consequences

Handbook on the Economics of Conflict Derek L. Braddon, Keith Hartley, 2011-01-01 The Handbook on the Economics of Conflict conveys how economics can contribute to the understanding of conflict in its various dimensions embracing world wars regional conflicts terrorism and the role of peacekeeping in conflict prevention The economics of conflict is a relatively new branch of the discipline of economics Conflict provides opportunities for applying game theory involving strategic behaviour interactions and interdependence between adversaries The Handbook demonstrates that conflict and its prevention is costly it considers new dimensions such as ethnic cleansing destructive power terrorism corruption the impact of new technology peacekeeping the role of economists in defence ministries and the use of private contractors in conflict
