

Mini Guide: Buying an Acoustic Violin

what to look for when buying a violin

Basic Checklist

- ☐ The pegs turn without any resistance and hold the string evenly.
- ☐ No part of the violin is made out of plastic. Check the chin rest, pegs, fingerboard and tailpiece.
- ☐ You are able to press down the string comfortably. If not, the string probably is too tight above the fingerboard.
- ☐ The strings have even spacing.
- ☐ The violin is made out of solid wood.
- ☐ Try to play a few notes on several strings to see if it's easy to switch from string to string without hitting other strings? To check if the strings are evenly spaced.
- ☐ Have your friend turn the fine tuners without any resistance. If you are beginner, it's recommended to use a violin with a fine tuner.

- ☐ Most purring (the black strip) is made out of wood and not painted on the instrument.
- ☐ Is the violin the right size? As a general rule, you'll need a 4/4 violin. The biggest will suit a student from middle school.

Did you think of wood? In that case, you found a good violin for beginners that will last you.

Here are some other factors that you might want to consider:

Signs of quality

- ☐ The violin is hand built and the master of the violin has a good reputation. You can also find a lot of information on the bridge, having many years on the floor.
- ☐ Detailed carving on the scroll and/or on other parts of the instrument.
- ☐ Symmetry in all parts of the violin.
- ☐ The price & sound reflect the quality of the violin.
- ☐ It is a sign of a quality violin that they are expensive to play and not to buy. A quality violin can often be used for the same price as more years later, for buying a quality violin, investment getting into it is a worthwhile decision.

Personal Aspects

- ☐ Does anyone else play the violin?
- ☐ Do you like the way the violin looks?
- ☐ Do you feel comfortable playing the violin?

Getting to know the violin is a must if you want to buy a violin that is the best.

It's better to have a violin that you like than one that you don't.

It's better to have a violin that you like than one that you don't.
