Question 3:

Bama's experience is that of a victim of the caste system. What kind of discrimination does Zitkala-Sa's experience depict? What are their responses to their respective situations?

Answer 3:

The community of Bama was treated unfairly which was directly related to the caste. Bama, being in lower caste were made to sit, eat, drink, travelling etc in different ways everywhere in the society. Not only this, only their own community was instructed to take up defecation in the society and no other one. It was a strict abstinence from touching them.

Zitkala- Sa was a Native American who notices the discrimination against Native American culture and women. Cutting of hair was against her honor and prestige. She was deprived of her soft moccasins (shoes) worn by Native Americans. Her blanket had been removed from her shoulders and she felt shy and embarrassed. Both in their own way revolted against the atrocities committed against themselves by people in power.
