This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

The equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15.247 of the FCC rules.

these. These forms are designed to provide reasonably protection against "forced" membership in a particular religion. The requirements provide: (a) no explicit religious indoctrination; (b) no religious and/or political indoctrination; and (c) no indoctrination in the doctrine of the particular religion. However, because the requirements are written in general terms, there is no guarantee that members will not receive religious indoctrination. If the requirements themselves provide indoctrination in religious or sectarian matters, which can be determined by looking at the requirements of an organization, it will be significant to the court. The phenomena by one of the following categories:

- Reduced or avoided for existing systems
 - Increased for new work between the
 combined organizations
