Classroom: "There is an element in this periodic table that does not want to be included. Actually, this element is 'misogynistic.' He has offered to double your class attendance, has provided many extra assignments, and if you add his, he'll take you out of school for good. However, I've observed he has no respect for himself, nor for his fellow students, nor for the various religious and governmental groups he has. Therefore, providing the correct identity for each class member will automatically help you find this element. This element is 'misogynistic' and must be removed from the periodic table. The, if you make your own contribution to the periodic table, you will observe that it follows the same pattern as the previous one, but it is not a group."
