

The image shows a battle scene from the video game Persona 3 S.E.S. In the center, a large, dark, multi-armed boss enemy is attacking. In the foreground, a character with white hair is seen from behind, holding a blue orb. To the right, four party members are shown in a vertical stack, each with their name, level, and HP/MP bars. A yellow oval menu is on the left, and a red bar with a skill description is at the bottom.

Ariadne's Clue Anthony Stevens,2001-04-22 Symbolism is the most powerful and ancient means of communication available to humankind For centuries people have expressed their preoccupations and concerns through symbolism in the

form of myths stories religions and dreams The meaning of symbols has long been debated among philosophers antiquarians theologians and more recently anthropologists and psychologists In Ariadne s Clue distinguished analyst and psychiatrist Anthony Stevens explores the nature of symbols and explains how and why we create the symbols we do The book is divided into two parts an interpretive section that concerns symbols in general and a dictionary that lists hundreds of symbols and explains their origins their resemblances to other symbols and the belief systems behind them In the first section Stevens takes the ideas of C G Jung a stage further asserting not only that we possess an innate symbol forming propensity that exists as a creative and integral part of our psychic make up but also that the human mind evolved this capacity as a result of selection pressures encountered by our species in the course of its evolutionary history Stevens argues that symbol formation has an adaptive function it promotes our grasp on reality and in dreams often corrects deficient modes of psychological functioning In the second section Stevens examines symbols under four headings The Physical Environment Culture and Psyche People Animals and Plants and The Body Many of the symbols are illustrated in the book s rich variety of woodcuts From the ancient symbol of the serpent to the archetypal masculine and feminine from the earth to the stars from the primordial landscape of the savannah to the mysterious depths of the sea Stevens traces a host of common symbols back through time to reveal their psychodynamic functioning and looks at their deep rooted effects on the lives of modern men women and children
