was Hollywood royalty Also her life sucked Money couldn't buy everything including grace true love and the ability to not screw up Every Single Time Which was why Pepper had moved across the country to start over Only as was typical her life had other plans Namely in the form of Derek Cashette Her former teenage crush and now ridiculously handsome man was her older brother's friend He was also determined to salvage the train wreck of her life And maybe in doing that he would

save the train wreck that was her heart **Christmas at Roosevelt Ranch** Elise Faber,2020-12-14 Ah Christmas The most miserable time of the year Elizabeth hated it She had too much work to do to stop and hang lights or wrap presents or waste time beneath the mistletoe Or maybe she hated it and especially the mistletoe because she didn't have anyone to kiss Yeah maybe that too But she was derailed by a flat tire a broken doorknob and an extremely handsome mechanic And perhaps the best laid plans were made to be broken especially when this Christmas might prove to warm even her Scrooge heart

Bad Rebound Elise Faber,2022-09-27 She was gorgeous and infuriating And he couldn't stop thinking about her Jeremy was used to taking care of people His brothers his sister his mom Hell he'd been the man of his family for so long that the need to care of others was burned onto his soul But Teresa didn't want to be taken care of and worse she didn't need it Until she did Until she needed him Jer knew that his chance with her wasn't going to come more than once so he had to be smart She needed to fall for him Irrevocably Because he couldn't end up a bad rebound *Big Puck Energy* Elise

Faber,2022-07-19 I played hard and lived even harder At least until the mayor of River's Bend got it in her head that the hockey players carousing through her small town in Nowhere California were unwelcome I couldn't care less My priorities were pucks puck bunnies and pucking my way to the top Only I underestimated the mayor and her intentions to clean up the town the Rush and end my streak through the town's female population I underestimated that her matchmaking abilities might be on point I underestimated that her niece might be The woman who would lay claim to my heart **Bad**

Billionaires Quickies Elise Faber,2021-03-20 Bad Date Blind dates were the absolute worst Awkward filled to the brim with small talk and they never ever worked out Kay knew all that Yet for some reason she still had agreed to let Heather set her up Okay because it was Kay had serious pushover tendencies But when the date came Kay found herself alone at a table for almost an hour before she called it quits She'd been stood up Yup that was just perfect Her night was shot she was behind on her word count but then she quite literally ran into tall dark and handsome outside the restaurant One look at him and Kay thought that perhaps her night might be salvaged after all Until she discovered tall dark and handsome was a jerk Until she discovered that jerk was her missing blind date her rude and insufferable date who blew right by her as if she didn't exist What The Hell Bad Text It came in the middle of the night Totally her fault as she should have had her phone on Do Not Disturb But she hadn't and that buzz buzz had woken her Then she'd seen the picture and wow She couldn't let that pass her by She'd just had to respond and then had stayed up texting back and forth with the man who'd had the great abs and the spectacular di Cough Sense of humor She meant the spectacular sense of humor But as the sun had risen and as she'd had to force her bleary self out of bed she'd set the text chain aside and gotten on with her day Until she'd walked out of her apartment turned toward the elevator and saw Him Bad Marriage Abby and Jordan were blissfully married Or supposed to be anyway But three kids copious poop diapers and minimal sleep meant that she and Jordan were well past the honeymoon stage And she didn't know how to get that bliss back Luckily Jordan had a plan *Bad Bridesmaid* Elise Faber,2021-03-01 It

began with a cock Of the rooster variety It ended with a groomsman toppling into the wedding cake Heidi hadn t meant to be a bad bridesmaid She loved her best friend and the man Kate was marrying She just didn t love the groom s brother The cocky no pun intended jerk had made Heidi aware of exactly how little he thought of her Fine Whatever She d thought they d shared something well something more Clearly she d been wrong and now Brad was dead to her Of course that was before she had to walk down the aisle with him

Rulebreaker Elise Faber,2025-08-25 She's everything I shouldn't want But that's never stopped me before I didn't become a billionaire before the age of thirty by playing it safe I'm a risk taker except when it comes to matters of the heart Until Lily The pop phenom is all legs and curves with a boisterous laugh and a wicked sense of humor everything that drives me crazy She drives me crazy But the more we butt heads the more I crave the sound of her voice the feel of her body against mine Except I'm positive she's hiding something from me Something big I let someone else keep secrets once I won't allow that again She's mine And I won't stop until she knows it

Boarding Elise Faber,2019-03-28 He was her fantasy But having him would get her fired Plus everyone knew that

relationships between normal women and gorgeous talented men were doomed to fail Or maybe it was just that Mandy knew that firsthand She d lived that life always being the one left behind and wasn t willing to go there again Hockey was Blane s job and it was all consuming There was no room for her But then Blane told her she was his fantasy too And suddenly Mandy began to wonder what might happen if all those fantasies became reality **Roosevelt Ranch** Elise Faber,2021-02-22

Disaster at Roosevelt Ranch I slept with the wrong twin And all I got for it in return was a broken heart Oh yeah and a baby on the way there was that too But I m determined to make it on my own I don t need a man thank you very much Not rich charismatic and decidedly flighty Rex Roosevelt and especially not his twin brother Justin The trouble was Justin refused to leave me be And deep down I don t want to avoid him Deep down I want to be even closer Heartbreak at Roosevelt Ranch I had it all Two beautiful children A gainfully employed husband A successful food blog The only thing missing from my life was heat And I wanted to live To live loudly and without fear But something was happening with Rob Had he fallen out of love with me Had he found someone else Was I not Sigh Was I not enough Collision at Roosevelt Ranch It began with a collision Not in the sense of souls colliding or even stars aligning but in a real life totally her fault bumpers crunching frames bending airbags deploying crash Haley Oh Haley Why was she such a mess Regret at Roosevelt Ranch Henry Miller was nobody He used to be an up and coming chef in New York City training under one of the most famous celebrity chefs in the world with a gorgeous fianc at his side But that had been five years before Then his ex Isabella showed up in town with a new fianc in tow Then he found out why she had left And it changed everything Desire at Roosevelt Ranch Rex Roosevelt doesn t believe in love He believes in women in sex and in avoiding any and all types of responsibility He also definitely doesn t believe in is playing the white knight by rescuing women but he d saved Tilly She d needed rescuing and even though Rex didn t know the first damned thing about being a white knight he d helped her And then Well she made him feel something he d never thought his cold dead heart would ever feel again Love Christmas at Roosevelt Ranch Ah Christmas The most miserable time of the year Elizabeth hated it She had too much work to do to stop and hang lights or wrap presents or waste time beneath the mistletoe Or maybe she hated it and especially the mistletoe because she didn t have anyone to kiss Yeah maybe that too But the she was derailed by a flat tire a broken doorknob and an extremely handsome mechanic And perhaps the best laid plans were made to be broken especially when this Christmas might prove to warm even her Scroogey heart

1-3 Elise Faber,2020-05-21 BlockedThis is her shot Brit has the chance to make history by being the first female goalie to

play for an NHL team the San Francisco Gold So when she is introduced to Stefan the Gold s captain she is determinedly not interested Stefan is sexy charming and has a publicly documented list of conquests a mile long Brit is unwilling to risk mixing business with pleasure even when that business is wrapped up in a six foot plus gorgeously muscled package When management pushes Brit and Stefan together in an effort to gain good press for the beleaguered team Brit finds that her carefully calculated disinterest doesn t mask her body s desires The more she falls for Stefan the more she risks her career Will she be able to have it all a starting position and the heart of the captain Or will she lose everything BackhandMike Stewart is a bad boy Sleeping around Boozing Fighting with teammates Name a bad behavior and he s done it done it so well in fact that he almost tanked his career as a starting defenseman for the NHL s San Francisco Gold But Mike is done with all that He s starting with a fresh foot forward and putting his past behind him That is until his past quite literally reappears before his eyes Sara Jetty is just as beautiful as she was a decade before but Mike hasn t seen her since she scored a gold medal in women s figure skating Now something has put shadows in her eyes a familiar type of hurt he is all too well versed in This Sara wants nothing to do with him Their easy friendship is gone and in its place is a hardened woman who s nothing like the girl from his past Still Mike hasn t become a top defenseman in the NHL by being afraid of hard work and he isn t about to let Sara push him away Come hell or high water he s going to crack her tough outer shell and find the sweet innocent woman he s lusted after and loved in equal measure for more than ten years BoardingMuscles Mandy s work was supposed to be regulated to muscles Well muscles and ligaments and tendons and general body health and Blane was her fantasy literally her nightly fantasy He was sexy strong talented and normally she would have thrown herself at his feet and begged for a night or cough more showing him exactly what that fantasy was But that would mean she would get fired and worse so would he She couldn t have that on her conscience not when Blane was a gifted player for the San Francisco Gold Plus he was a professional athlete and their relationships were doomed to fail Mandy knew that firsthand and she also knew she couldn t live that life Always being the one left behind always way down on the priority list Hockey was his job and it was all consuming That was reality and everything was fine Until Blane got hurt Until she was spending more time with him Much more time Until Blane told her she was his fantasy too Empty Net Never Before Released NovellaEmpty That was her life What No Shannon had been referring to the other half of the duplex she lived in the half that her best friend and fabulous baker of a business partner Molly had moved out of when she d reunited with the love of her life But if she was being truthful Shannon s life was a little empty She had a steady and growing business even helping Molly expand their joint venture into the Gold Mine arena for the San Francisco Gold but she was bored and well a little empty Until Evan moved into the other half of the duplex and tall dark and brooding took over her life with the ease of a fire alarm blaring through the quiet night air

Leveling The Field Elise Faber, 2021-06-14 I d fallen for him the first time he smiled at me My heart was his the moment he d complimented me on my explosives skills As members of KTS a secret military group who was tasked with

saving the world from the biggest and baddest of the criminal underworld we went the places other people couldn't put our lives on the line when others wouldn't. But being a KTS agent was hell on a woman's love life especially when they looked like me not petite and slender or wonderfully curved. For women like me broad shouldered normal looking love seemed to always pass us by. Knowing that I put my unrequited crush of Leo aside switched teams and got on with my life content in my part in taking out the bad guys. But then Leo came back. Then he saw me. And I wondered if perhaps love for a woman like me might not be a fantasy after all.

Dotted Line Elise Faber, 2020-03-01

Everyone thought I had it together. That I was tough and powerful and a take no prisoners woman at the top of my industry. And I was. At work I always sealed the deal nabbed the contract and I never failed to get someone to sign on the dotted line. At work I was the best. My personal life however was a wreck. A giant lonely wreck. Until Cole. Cole was about as far away from my city girl polish as one could get. A retired hockey player he wore jeans to my power suits cowboy boots to my heels ate simple food to my gourmet. Hell he even lived on a ranch half the year. And yet he also challenged my mind. Never gave me an inch. Not to mention he was gorgeous kind incredibly insightful and always always called me on my B S. He'd done it when I'd been his agent and continued to do it every time we talked. He was everything I'd dreamed of and also everything I was terrified to have. This book was previously published under the title Bitch.
