overly ambitious success driven obnoxious father and a compliant obsequious son The story is written over time beginning with the great grandfather a mysterious bibliophile in his own right up to the Son Of Promise God's next All American and his slave driving Winning Is The Only Thing father Due to an injury that curtailed the father's potential career in the NFL the father lives for one reason to see to it that at almost any cost his son will have a career as a professional football player Unfortunately a Funny Thing Happened On The Way To The Super Bowl and the result is a supernatural event that produces devastating consequences *Secret Santa* Janelle Denison, Isabel Sharpe, Jennifer LaBrecque, 2006-12-01 He'd Better Watch Out by Janelle Denison Amanda Creighton has always been the epitome of good until the day her inner vixen convinces her to tease the office bad boy with a gift he can't possibly resist The Nights Before Christmas by Isabel Sharpe When her Secret Santa leaves Cathy Ann Johnson barely there lingerie she can't help but think the gift comes with an invitation to model it So she seduces Santa the wrong Santa Mistletoe Madness by Jennifer LaBrecque Tatiana Allen believes in giving her job as a restaurant critic her all Heck she's even working over the holidays So how does she end up with Cole in her stocking

Confronting AIDS Through Literature Judith Laurence Pastore, 1993 This anthology offers an array of viewpoints on the use of literature to confront AIDS In Part 1 the authors a.o. Michael Denny, Paul Reed, James W. Jones chronicle the increasing significance of AIDS in fiction, journalism, drama, and contemporary spirituality Part 2 offers a sampling of creative writing on AIDS with fragments by a.o. Paul Monette, Melvin Dixon, Joel Redon, David Feinberg Part 3 shows how AIDS literature can enlighten and energize humanities composition and medical students *A Fortunate Age* Joanna Smith Rakoff, 2009-04-07 Like *The Group* Mary McCarthy's classic tale about coming of age in New York, Joanna Smith Rakoff's richly drawn and immensely satisfying first novel details the lives of a group of Oberlin graduates whose ambitions and friendships threaten to unravel as they chase their dreams, shed their youth, and build their lives in Brooklyn during the late 1990s and the turn of the twenty-first century There's Lil, a would-be scholar whose marriage to an egotistical writer initially brings the group back together and ultimately drives it apart Beth who struggles to let go of her old beau Dave, a onetime piano prodigy trapped by his own insecurity Emily, an actor perpetually on the verge of success and starvation who grapples with her jealousy of Tal whose acting career has taken off At the center of their orbit is wry, charismatic Sadie Peregrine who coolly observes her friends' mistakes but can't quite manage to avoid making her own As they begin their careers, marry, and have children, they must navigate the shifting dynamics of their friendships and of the world around them Set against the backdrop of the vast economic and political changes of the era, from the decadent age of dot-com millionaires to the sobering post-September 2001 landscape, Smith Rakoff's deeply affecting characters and incisive social commentary are reminiscent of the great Victorian novels This brilliant and ambitious debut captures a generation and heralds the arrival of a bold and important new writer **Sock** Penn Jillette, 2004-07-01 New York Times Bestselling Author From the famed comedian and magician, a very unusual crime novel filled with smart alecky philosophical wit Booklist starred review Twisting the buddy cop

story upside down and inside out Penn Jillette has created the most distinctive narrator to come along in fiction in many years a sock monkey called Dickie The sock monkey belongs to a New York City police diver who discovers the body of an old lover in the murky waters of the Hudson River and sets off with her best friend to find her killer The story of their quest swerves and veers takes off into philosophical riffs occasionally stops to tell a side story and references a treasure trove of 1970s and 1980s pop culture in a surprising intense fascinating fiction debut Unlike anything I've ever read seriously good writing Kaye Gibbons award winning author of *Ellen Foster* Possibly the best original fiction I've read since *A Confederacy of Dunces* Kinky Friedman author of *Prisoner of Vandam Street* **Fool, Stop Trippin'** Tina Brooks McKinney, 2008-03-04 Tina Brooks McKinney is back with the third thrilling installment in her drama trilogy where people will do anything to get the love they feel they deserve When Tarcia finds out the man she's been trying to snag already has a family she becomes desperate and willing to go to any lengths to get back what she's lost even when it means tearing up another family to pin this married man down for herself Claiming pregnancy is just another move for her but one that might end her up in jail At the same time Sammie a familiar face from *All That Drama* and *Lawd Mo Drama* is battling through her own relationship problems as well and her insecurities are hijacking any chance she might have for happiness And while Jasmine Sammie's half sister tries to help her make it through the tough times she might end up as more of a hindrance to Sammie's emotional well being As the characters search for the perfect life readers are put in tune with their boiling emotions and learn the cost of basing one's happiness on having a mate How far should one go in pursuing love and what happens when all these go getters start trippin' over each other in the chase Who if any of them will discover true bliss in the end **Effortless** S.C. Stephens, 2012-09-21 After being caught in the middle of a love triangle which led to a devastating betrayal Kiera pledged to learn from the mistakes she'd made She was determined to never again inflict that kind of pain on anyone especially the soulful talented man who held her heart But life offers new challenges for every relationship and when Kiera's love is put to the ultimate test will it survive Love is easy trust is hard *Live to Tell* David Talamantes, 2008-05 Organisations private and public operate in an increasingly uncertain landscape in which they are confronted with challenges they might not be ready to face They desperately need the engaged minds of their workforces The evidence however suggests that for the most part they don't have that There is an urgent need to address the high cost of low trust and employee disengagement Revealing a new approach centred on redefining what we mean by management and business and that it is a collective form of learning that binds them together and facilitates sustained high performance Donal Carroll examines high performing organisations to uncover how they have built trust managed value adopted new types of business model and successfully engaged in collective learning The new management model is about retaining control by giving it away more accountable self management a new professionalism and about framing organisation as the basic unit of purpose rather than management itself Next new business models are examined more suited to complex internet enabled markets that allow greater choice but which need

organizational alertness to what works Thirdly learning is considered with a focus on moving from organisational learning to productive interference sustaining action based learning that thrives on mess in an open trusting democratic climate The author provides tools and techniques enabling organisations to measure creativity and innovation and to undertake self assessment of their position in relation to the new management business and learning models as well as guidance on energising change initiatives self leading and accountability Practicing managers change leaders coaches and consultants as well as business scholars and researchers will find much that is useful in this book
