**How Fighting Ends** Holger Afflerbach, Hew Strachan, 2012-07-26 The history of surrender is one of the most neglected in the history of war and yet it is vital to understanding not only how wars end but also how they are contained This is a book with a chronological sweep that runs from the Stone Age to the present day written by a team of truly distinguished scholars

The Keys to the White House Allan J. Lichtman, 2008 Prominent political analyst and historian Allan J Lichtman presents thirteen historical factors or keys that have successfully predicted the outcome of presidential elections from 1860 to 2004

**The Keys to the White House** Allan J. Lichtman, 2005-01-01 With The Keys to the White House average citizens are giving the pollsters and pundits a run for their money In this book prominent political analyst and historian Allan J Lichtman presents thirteen historical factors or keys four political seven performance and two personality that determine the outcome of presidential elections In the chronological successful application of these keys to every election since 1860 including the 2000 election where Al Gore was predicted to and did indeed win the popular vote and the 2004 contest for Bush s reelection Lichtman dispels much of the mystery behind electoral politics and challenges many traditional assumptions Scholars of the electoral process their students and general readers who want to get a head start on calling Decision 2008 should not miss this book

*Allies in War: Britain and America against the Axis Powers, 1940-1945* Mark Stoler, 2022-10-24 Some historians are great because they write great books others because they write books that need to be written Mark A Stoler has done both *Allies in War* offers an accessible and gracefully written synthesis of the wealth of new and important scholarship addressing American and British grand strategy during World War II *Allies in War* presents a global overview of Anglo American cooperation against the Axis powers with a chronological account of the major diplomatic and military events It begins with a brief summary of World War I and the interwar years continues through the capitulation of Japan in September 1945 and concludes with a short discussion of the origins of the Cold War Stoler s story also covers the world war like a world war Each chapter covers major developments in every theater Stoler makes particular effort to recognize the critical role of the Soviet Union in winning World War II and its impact on Anglo American strategy *Allies in War* is a versatile work with a lot of uses Both students and professionals will find rewards This volume will be an excellent tool for teaching survey and elective history courses It will also aid in understanding the dynamics that attend coalition warfare *The Journal of American History* A decided tour de force Stoler provides an excellent and readable overview on a global scale of the interrelated wartime military strategic and diplomatic decisions and contributions of the United States and Great Britain Stoler s forte is elegantly concise syntheses of massive outpourings of scholarship in both military and diplomatic history and judicious balanced and stimulating assessments of often controversial issues Lucid balanced nuanced and acute giving equal space to the wars in both Europe and Asia Stoler s interpretive overview is a valuable and welcome addition to its field *The Journal of Military History* This is the work of a mature historian comfortably in command of his material using his

considerable experience to construct a tightly controlled narrative that carries the reader forward with little effort on his or her part a sure sign of considerable effort on the part of the writer Stoler's book is much more than the synthesis it might appear to be It is a masterly summary of existing scholarship but one enriched by his own knowledge of the archival and secondary material this book shines when it comes to grand strategy the reader wanting a potted and accurate evolution of Anglo American grand strategy will find all he or she will need here The International History Review Mark Stoler is supremely well qualified to undertake this volume Previous studies of Anglo American relations during the Second World War tend to focus on either the war in Europe or the war in the Pacific The originality of Stoler's approach is that he wants to cover both He seeks as well to incorporate the results of relatively recent publications on the Second World War The results are impressive Stoler's writing is a major strength of this book Stoler provides admirable surveys of the major historical controversies of the Anglo American war against the Axis powers such as the efficacy of the Allied strategic bombing campaign the utility of the Italian campaign and the continuing debate over the dropping of the atomic bombs on Hiroshima and Nagasaki Anyone who teaches courses on the history of the Second World War will find this volume a valuable resource The Journal of Modern History Allies in War is a solid survey of the war an effective synthesis of the most troublesome aspects of the special Britain US relationship Naval History Magazine An important new study by one of the leading scholars in the field David Reynolds University of Cambridge *The World at War (ENHANCED eBook)* Tim McNeese, 2000-09-01 The World at War 1920 1945 covers the period from the signing of the Versailles Treaty which signaled the end of World War I through World War II and the defeat of Japan Special emphasis is given to the stressed postwar economies of Europe following the Great War which set the stage for further international conflict The Roaring Twenties the stock market crash of 1929 The Great Depression Roosevelt's New Deal the rise of fascism and the grim legacies of the Holocaust figure prominently in this volume Also discussed is the influence of historic personalities such as Hitler Stalin Churchill Roosevelt and Mussolini Challenging map exercises and provocative review questions encourage meaningful reflection and historical analysis **1943 -- Operation Weihnachtsmann** JB Rosa Filho, 2021-07-14 Suspenseful novel about attempts of Nazi Abwehr agent to subvert Brazil's valiant efforts in support of the Allied war effort during World War Two a little known and much neglected theater of that critically important event **A Brief History of the Atlantic** Jeremy Black, 2022-06-02 The Atlantic has borne witness to major historic events that have drastically shaped humanity with each crossing of its path In this broad and readable book Jeremy Black takes the reader through its evolution to becoming one of the most important oceans in the world Black discusses the importance of the Atlantic in relation to world history as well as addressing topics such as those bravest to attempt to cross the ocean before Columbus the beginnings of slavery from 1400 1600 the struggle for control between empires in the 1600s the way technology adapted with steamships to telegraph cables the battle of the Falkland and the Cold War Black also touches on the Atlantic we know today and the struggles it faces due to urgent global

issues including climate change pollution and the trials of the economic rise in the Indo Pacific world If you have ever yearned to know more about this famed and vital ocean this clear and concise history will be a key read as one of the first of its kind on its evolution to becoming an established world ocean Sweden, the Swastika and Stalin John Gilmour,2011-03-14 A key addition to the Societies at War series this book fills a gap in the existing literature on the Second World War by covering the range of challenges threats issues dilemmas and changes faced and dealt with by Sweden during the conflict Bloom's how to Write about F.
