

# Secure II® Med/Surg Bed

Available with Stryker's patented Chaparrone® bed exit system and Zone Control® technology

Single-button, in-bed scale provides accurate, repeatable weights with the patient in any position

Open architecture allows the flexibility to choose any sleep surface

Retractable bed frame helps keep patients close to their belongings regardless of bed articulation

Fall prevention educational program and CEU course available

Bed Awareness™ option monitors brakes, siderail position, bed exit and low bed height, and provides proactive alert if parameters change

## The Standard in Patient Care

Responsive engineering over time has resulted in a med/surg bed that offers the highest level of security, intuitive operation and flexible functionality. Fully customizable through a host of features designed around patient and caregiver satisfaction, the Secure II represents the benchmark in patient handling.

Optional Zone® drive system minimizes the effort needed for patient transport while encouraging proper ergonomic posture.

Intermediate lateral position and low bed height assist with patient entry and exit.

Chaparrone® exit system/tray positioning by constantly tracking the patient's center of gravity.

The combination of Stryker's Chaparrone bed exit system and Fall Prevention Program, coupled with the features of bed retractability, form the most comprehensive fall prevention solution available.
