Seduction Strong Young Women Series English Edition:

New York Medical Journal, 1907 *New York Medical Journal, and Philadelphia Medical Journal*, 1911 *International Record of Medicine and General Practice Clinics* Frank Pierce Foster, 1907 *Courtship, Love, and Marriage in Nineteenth-Century English Canada* W. Peter Ward, 1990 Argues that freedom to love court and marry in nineteenth century English Canada was constrained by an intricate social institutional and familial framework which greatly influenced the behavior of young couples both before and after marriage *Mr. Playboy* Steven Watts, 2009-03-23 Spans from Hefner's childhood to the launch of Playboy magazine and the expansion of the Playboy empire to the present Puts Hefner's life and work into the cultural context of American life from the mid twentieth century onwards Contains over 50 B W and color photos including an actual fold out centerfold *REAL - Yearbook of Research in English and American Literature, Volume 38* Laura Bieger, Johannes Völz, 2024-04-29 Celebrating the 80th birthday of Winfried Fluck this volume of REAL gathers leading US American and European literary scholars from English and American Studies to engage some of his classic essays covering topics that range from the aesthetics of early American literature to the history of our digital present and from the Americanization of literary studies to the search for American democratic culture Each of the volume's twelve dialogues consists of a republished essay by Fluck and a response by one of his interlocutors written specifically for this occasion Contributors include field defining scholars long time companions and colleagues whose intellectual trajectory has been impacted by Fluck's incisive metacriticism and his reception oriented approach to literary and cultural history The twelve dialogues reassess debates that have shaped literary studies in the late twentieth century and they inquire into the paradigmatic shifts that are currently reorganizing the field *A Companion to the Eighteenth-Century English Novel and Culture* Paula R. Backscheider, Catherine Ingrassia, 2009-10-19 A Companion to the Eighteenth century Novel furnishes readers with a sophisticated vision of the eighteenth century novel in its political aesthetic and moral contexts An up to date resource for the study of the eighteenth century novel Furnishes readers with a sophisticated vision of the eighteenth century novel in its political aesthetic and moral context Foregrounds those topics of most historical and political relevance to the twenty first century Explores formative influences on the eighteenth century novel its engagement with the major issues and philosophies of the period and its lasting legacy Covers both traditional themes such as narrative authority and print culture and cutting edge topics such as globalization nationhood technology and science Considers both canonical and non canonical literature *Consent and Coercion to Sex and Marriage in Ancient and Medieval Societies* Angeliki E. Laiou, 1998 This collection of essays addresses a number of questions regarding the role of consent in marriage and in sexual relations outside of marriage in ancient and medieval societies Ranging from ancient Greece and Rome to the Byzantine Empire and Western Medieval Europe the contributors examine rape seduction and the role of consent in establishing the punishment of one or both parties the issue of marital debt and spousal rape and the central question of what is perceived as coercion and what

may be the validity or value of coerced consent Other concepts such as honor and shame are also investigated Because of the wide range in time and place of societies studied the reader is able to see many different approaches to the question of consent and coercion as well as a certain evolution in which Christianity plays an important role History of English Literature Hippolyte Taine,1872 *A Philosophical Investigation of Rape* Louise du Toit,2009-05-07 Du Toit examines the phenomenon of rape using a feminist philosophical discourse concerning women s subjectivity and selfhood The book provides a critique of the dominant understanding of rape and its associated damage and suggests alternatives **Playing with Memories** David Church,2009-09-15 *Playing with Memories* is the first collection of scholarly essays on the work of internationally acclaimed Canadian filmmaker Guy Maddin It offers extensive perspectives on his career to date from the early experimentation of *The Dead Father* 1986 to the intensely intimate revelations of *My Winnipeg* 2007 Featuring new and updated essays from American Canadian and Australian scholars collaborators and critics as well as an in depth interview with Maddin this collection explores the aesthetics and politics behind Maddin s work firmly situating his films within ongoing cultural debates about postmodernism genre and national identity *Playful Performers* David Binkley,2017-07-28 African children develop aesthetic sensibilities at an early age roughly from four to fourteen years By the time they become full fledged adolescents they may have had up to ten years experience with various art forms masking music costuming dancing and performance Aesthetic learning is vital to their maturation The contributors to this volume argue that the idea that learning the aesthetics of a culture only occurs after maturity is false as is the idea that children wearing masks is only play and is not to be taken seriously *Playful Performers* is a study of children s masquerades in Africa The contributors describe specific cases of young children s masking in the areas of west central and southern Africa which also happen to be the major areas of adult masquerading The volume reveals the considerable creativity and ingenuity that children exhibit in preparing costumes masks and musical instruments and in playing music dancing singing and acting The book includes over 50 pages of black and white photographs which illustrate and elaborate upon the authors main points The editors describe general categories of children s masquerades In each of the three masking categories children s relationships to their parents and other adults differ from a close relationship to some independence to almost complete independence No other major work has covered this aspect of African children at this age level The book offers a challenging perspective on young children seeing them as active agents in their own culture rather than passive recipients of culture as taught by parents and other elders It will be interesting reading for anthropologists art historians educators and African studies specialists alike *Thomas Killigrew and the Seventeenth-Century English Stage* Philip Major,2016-02-24 Despite his significant influence as a courtier diplomat playwright and theatre manager Thomas Killigrew 1612 1683 remains a comparatively elusive and neglected figure The original essays in this interdisciplinary volume shine new light on a singular contradictory Englishman 400 years after his birth They increase our knowledge and deepen our understanding not only of Killigrew himself but of

seventeenth century dramaturgy and its complex relationship to court culture and to evolving aesthetic tastes The first book on Killigrew since 1930 this study re examines the significant phases of his life and career the little known playwriting years of the 1630s his long exile during the 1640s and 1650s and its personal political and literary repercussions and the period following the Restoration when with Sir William Davenant he enjoyed a monopoly of the London stage These fresh accounts of Killigrew build on the recent resurgence of interest in royalists and the royalist exile and underscore literary scholars continued fascination with the Restoration stage In the process they question dominant assumptions about neatly demarcated seventeenth century chronological geographic and cultural boundaries What emerges is a figure who confounds as often as he justifies traditional labels of dilettante cavalier wit and swindler

The Publishers Weekly ,1894

The Aesthetics and Affects of Cuteness Joshua Paul Dale,Joyce Goggin,Julia Leyda,Anthony P. McIntyre,Diane Negra,2016-12-08 Cuteness is one of the most culturally pervasive aesthetics of the new millennium and its rapid social proliferation suggests that the affective responses it provokes find particular purchase in a contemporary era marked by intensive media saturation and spreading economic precarity Rejecting superficial assessments that would deem the ever expanding plethora of cute texts trivial The Aesthetics and Affects of Cuteness directs serious scholarly attention from a variety of academic disciplines to this ubiquitous phenomenon The sheer plasticity of this minor aesthetic is vividly on display in this collection which draws together analyses from around the world examining cuteness s fundamental role in cultural expressions stemming from such diverse sources as military cultures high end contemporary art worlds and animal shelters Pushing beyond prevailing understandings that associate cuteness solely with childhood or which posit an interpolated parental bond as its primary affective attachment the essays in this collection variously draw connections between cuteness and the social political economic and technological conditions of the early twenty first century and in doing so generate fresh understandings of the central role cuteness plays in the recalibration of contemporary subjectivities

The Art of Seduction Robert Greene,2025-10-07 From the author of the multi million copy bestseller The 48 Laws of Power and The Laws of Human Nature a mesmerizing handbook on seduction the most subtle and effective form of power This is the only authorized

Red Riding Hood for All Ages Sandra L. Beckett, 2008 A global study of modern adaptations for readers of all ages of Little Red Riding Hood Red Riding Hood for All Ages investigates the modern recasting of one of the world s most beloved and frequently told tales Author Sandra L Beckett examines an international selection of contemporary fiction for children adolescents and adults to find a wide range of narrative and interpretive perspectives in the tale and its revisions Beckett shows how authors and illustrators from around the globe have renewed the age old tale in a range of multilayered sophisticated and complex textual and visual Red Riding Hood narratives With a child protagonist who confronts grown up issues of sexuality violence and death the Red Riding Hood story appeals to readers of all age groups and is often presented in crossover texts that can be enjoyed by both children and adults Beckett presents a wide selection of retellings many of which have been never translated into English Texts come from a variety of countries in Europe North America South America Africa and Asia and date from the early twentieth to the twenty first century This wealth of stories and illustrations is organized thematically into sections that consider Little Red Riding Hood alternately as a cautionary tale an initiation story a story focused on the wolf a tale inspired by the wolf within and a story of an unconventional girl who runs with wolves This volume provides a global survey of Red Riding Hood s story in contemporary culture proving that the character is omnipresent in modern literature and that the universal appeal of her story knows no age boundaries Red Riding Hood for All Ages will be of interest to scholars of folklore gender studies and literature as well as librarians educators parents and all those interested in the many interpretations of the Red Riding Hood tale

History of English literature, tr. by H. van Laun Hippolyte Adolphe Taine, 1871

Women in Print Alison Adburgham, 2012-05-15 This book should be regarded as rescue work It salvages from pre Victorian periodicals from the limbo of forgotten publications and exhumes from long undisturbed sources a curious collection of women who at a time when it was considered humiliating for a gentlewoman to earn money contrived to support themselves by writing editing or publishing sometimes even supporting husbands and children as well The women who emerge make a motley gallery but over the years that I have been getting to know them they have won my respectful affection More indeed To me they are all heroines Alison Adburgham from her Foreword Magazines addressed to women have a long history in English and have been subject to condescension for just as long Alison Adburgham s groundbreaking volume first published in 1972 rescues the so called scribbling female from such scorn not least by documenting just how hard was the struggle for women writers to live by the pen
