Seduction Club Destiny English Edition:

Fearless Nicole Edwards,2016-04-11 He s the one who walked away Dare Davis one of the four owners of Pier 70 Marina has spent the past fifteen years of his life avoiding risks He considers himself fearless because he refuses to let anyone close enough to hurt him He s had his heart broken before he s not looking for it to happen again He s the one who let love slip through his fingers Noah Pearson a thirteen year veteran of the Austin Fire Department finds himself being roped into a favor by his mischievous stepsister When Milly invites him to come along on a cruise to the Caribbean he finds himself giving in What he doesn t know is that Milly s playing matchmaker However Milly s surprise backfires when Noah finds himself front and center with the man who slipped through his fingers fifteen years ago Some people believe in second chances Things heat up when the mischievous fun loving bad boy comes face to face with this smoking hot firefighter Now that Dare and Noah find themselves sharing a room on a week long cruise can they find a way to keep the peace and ignore their past Or thanks to the decisions they made long ago will they come full circle picking right back up where they left off Rafe

Nicole Edwards,2023-09-26 A history of running When Rafe Sharpe was eighteen he put Coyote Ridge his family and everyone he knew in his rearview in order to escape his past When he returned three years ago everyone thought he d returned to face the horrors that had shaped his existence What he didn t tell anyone was that he d been running then too But settling in didn t mean settling down because that wasn t in the cards for Rafe even if he was secretly pining for the beautiful pure hearted Bailey Weber Despite being his greatest temptation Rafe managed to keep Bailey in the friend zone opting to be her confidante and protector ensuring she believed her feelings for him weren t reciprocated After all Rafe wasn t worthy of anyone s love Not after what he did The past and present collide It isn t until a handsome man from his past rolls into town that Rafe realizes what he was running from and what he s been resisting would soon come together becoming a powerful pull on the heartstrings he didn t even know he had

Confessions Nicole Edwards,2022-05-24 After being shot in a failed kidnapping Reese Tavoularis went off the radar Instead of returning to Coyote Ridge to mend things with Brantley he chose to stay in Dallas leaving his team behind and using his recovery as a reason to maintain his distance more accurately to evade the consequences of his choices Now he s back to seek forgiveness and persuade the man he loves to give their relationship another chance When Magnus Storme faces kidnapping allegations Reese reconnects with his team as they unite to prove Magnus s innocence and locate the missing woman Rough & Dirty Nicole Edwards,2024-06-11 One night Rough dirty and so hot it was a wonder the barn didn t burn down from the heat they generated If Stone Jameson were writing a letter to his younger self it would go something like this Don t waste time leaving You have everything you ll ever want already Unfortunately Stone didn t have the ability to warn his younger self nor could he get the last fifteen years of his life back He could however return to the last place he d experienced real happiness his hometown of Coyote Ridge It takes mere days for him to realize that all the years he spent trying to forget the night that had altered his perception of himself

were in vain It takes a single glimpse of what he left behind to bring it all back the potent attraction the intense connection and the longing permanently etched in his soul Getting absolution for his mistakes might be impossible but when a second chance presents itself Stone knows that determination and persistence are the only tools he needs to build the solid foundation he s seeking *Forevermore* Nicole Edwards,2022-07-26 With nine years of marriage behind them and eight years into their polyamorous relationship Logan Samantha and Elijah are about to take their relationship to the next level Six months ago in a cabin lit by candlelight as part of a game Samantha convinced them to play Elijah kissed Logan ultimately changing the dynamic of their relationship They ve had plenty of time to process what it means but it isn t until Sam takes a girls trip that Logan makes the first move deciding it s time to explore things further When Logan and Elijah realize that one mind blowing encounter hadn t been a one time only event they look to Sam to help guide them through the unknown *Forevermore* is a continuation of *Cabin By Candlelight* from *Naughty Holidays 2021* voted on by the readers **Chase** Nicole Edwards,2023-06-27 Volume 1 What twenty four year old recent college graduate would sign up to uncover a secret kink club rumored to be hidden within the walls of a multi billion dollar conglomerate Me Why Well that s easy I ve spent my entire life with my nose to the grindstone doing the right thing focusing on my future and now I m bored which isn t a good thing when you have an insatiable curiosity I probably should ve considered the type of bait needed for a fishing expedition of this magnitude when I applied for the job at Primal Instincts LLC looking to uncover the secret world that exists only on the whispers of those who ve never so much as glimpsed the dark seductive inner workings because those who had wouldn t dare reveal anything Now that I m through the door I ve got my determination and single minded focus to keep me moving forward I will figure it out if for no other reason than to say I did Provided I don t get sidetracked by not one not two but three men who are ridiculously good at keeping secrets Volume 2 I am only one week into my new job at Primal Instincts LLC when I realize super sleuth is not something I will be adding to my resume anytime soon Although I m still on my mission to uncover the truth about the secret kink club I suspect exists and is somehow tied to my employer I find myself with more pressing things to deal with than solving that mystery Between balancing the work assignment I ve been given and the change in my current dating status the only time I have left is spent dealing with a dominating manipulative not to mention sexy man who has me in his crosshairs Unfortunately the aforementioned dominating man starts the dominoes falling when his manipulation puts me in a vulnerable position It s crazy what can happen in a week Volume 3 To say things have gotten complicated with the men in my life would be an understatement My mission to discover the secret kink club has been put on hold but not because I m distracted by the three men plaguing my thoughts and dreams Not only because of them anyway They are certainly responsible for keeping my attention away from my goals However my main concern is the man blackmailing me with a video I d prefer isn t seen by the public That man has given me an ultimatum and I have a decision to make an important one But for the moment Creed Hawk and Garrison are doing their best to keep my mind off my problem

and they have a proposition for me One that will effectively shift my focus yet again Note from the author The Primal Instincts series was originally released in individual volumes Chase Capture and Claim are the combination of these volumes The stories are the same **Harmless** Nicole Edwards,2017-03-28 Alibi Nicole Edwards,2021-07-27 Travis Walker has been battling dark urges since the day Juliet Prince kidnapped his six year old daughter four months ago Although Kate was returned safely the woman responsible vanished When their attempts to find her keep coming up empty Travis let his need for retribution consume him and it nearly cost him his relationship with his family Thanks to help from Gage and Kylie Travis came back from the brink and passed the case back where it belonged with the Off the Books Task Force What they don't know is that despite their best efforts at locating her Juliet doesn't intend to run forever She's coming back to Coyote Ridge to settle the score once and for all And this time she intends to bring Travis to his knees by targeting his most precious possessions his family When the unthinkable happens Travis's thirst for vengeance is reignited and he will move heaven and earth to avenge his family Distraction Nicole Edwards,2017-01-31 **Bound in Darkness** Nicole Edwards,2020-04-14 Heaven refers to them as Misplaced Halos Humans don't even know they exist Like angels vampires have been protecting humans from demons while keeping to the shadows lurking in the darkness In return they've asked for nothing Until now After the heinous slaughter of his father the Alpha Vampire Kaj Courtenay finds himself taking on the role of the most powerful vampire in existence He's up against traitors out to topple him demons bent on eliminating the vampire race entirely and an archangel who has other plans for them It's all Kaj can do to maintain his focus but he knows it would be easier with the female who owns him heart body and soul at his side Problem is convincing her Acadia only knows a life of subservience She has spent fifteen hundred years bound to the Angels of Darkness her race used as their life source to maintain their existence on Earth Living out eternity at their mercy is her destiny beyond her control It has never been something she questioned Not until Kaj appeared in her life and gave her something to live for made her question her very existence Acadia knows resisting the powerful vampire is futile He holds her heart Problem is it isn't hers to give Kaj and Acadia must break the chains that have bound them to their pasts so they can embrace the future and conquer the enormous obstacles and ridiculous odds standing in their way And for the sake of all they must do it together *Protected in Darkness* Nicole Edwards,2019-10-22 Heaven refers to them as Misplaced Halos Humans don't even know they exist This faction of celestial warriors was sent here under the cover of darkness to protect humanity from Lucifer's demons In return for their servitude these warriors expect only one thing the love they were promised what angels refer to as an amsouelot The first of his kind Obsidian has spent the past fifteen hundred years fighting alongside his brothers protecting humans from Lucifer's demons all while keeping to the shadows Their mission is simple right up until it isn't The day Obsidian learns of a traitor in Heaven is the day everything changes The entire reason for his existence is put on hold because there's a new assignment find the female whose soul belongs to his and protect her no matter the cost Penelope Calazans spends her days sleeping and

her nights serving free drinks to the gamblers looking to win big in Sin City It s not a glamorous life perhaps a tad lonely but she s content Or she thought she was Then he appears The mystery man who would turn out not to be a man at all but rather an angel The angel who would turn Penelope s mundane life upside down revealing what really lurks in the dark Not only do they have to battle the demons looking to possess their souls but Obsidian and Penelope must overcome the obstacles that come with falling in love In the end an angel and a human must make the ultimate sacrifice all in the name of a love everlasting

All In Nicole Edwards,2020-05-12 Brantley Walker has dedicated his life to serving his country Having given seventeen years to the US Navy the last ten as a SEAL the mission was the only thing he knew the only thing that mattered He never even considered what life would look like after the mission was over Until he s forced to After months of recovering from career ending injuries Brantley finds himself back in his hometown of Coyote Ridge Texas Once again a permanent resident with the full support of his family and friends he embarks on a journey to start over forced to figure out what to do with the rest of his life a task that is far easier said than done Then the unthinkable happens When his cousin Travis s daughter is kidnapped Brantley puts himself right back in the action partnering up with Reese Tavoularis to find the little girl and bring her home where she belongs As events unfold Brantley and Reese find themselves undertaking another mission Only this one results in a journey that takes them in a direction neither of them expected to go **Trey** Nicole

Edwards,2022-12-27 Trey Walker has one major flaw as far as he s concerned he impulsively falls in love too easily and too often That reckless impulse resulted in several failed relationships not to mention the implosion of his marriage And what s the best way to ensure you don t make that mistake again That s easy You shrug off relationships for good And it was working for him Right up until it wasn t Trey was on a winning streak until fate threw him a curveball eighteen months ago when he crossed paths with Magnus Storme the smoking hot ridiculously persistent twenty four year old owner of Camp K 9 Using the 12 year age gap as an excuse Trey managed to resist Magnus for about a minute Did he mention Magnus was persistent His first mistake was taking Magnus home thinking one night with him would get the man out of his system One night turned into two then a week a month two After a year Trey still adamantly denied falling for Magnus which meant he wasn t only lying to Magnus he was lying to himself Just when Trey s life seems to be cruising along the right track another unexpected turn arrives this time in the form of a woman from Magnus s past Only Ava March isn t just any woman she s one Magnus has a history with and now Ava needs him Trey has to make a decision live in denial and walk away from the man he loves or accept that his feelings are in direct contradiction to everything Trey thought he knew about himself This MMF romance can be read as a standalone however Trey Magnus and Ava s story picks up where things left off in Confessions from the Brantley Walker Off the Books series Trigger warning While this book is about love healing and perseverance some readers may find the retelling of the physical abuse Ava suffered at the hands of her husband difficult to read Secrets

closed multiple cases it hasn't been easy. Even after the governor dissolved the team they are finding their new home under the umbrella of Sniper 1 Security. As with everything the private sector has new challenges for them to tackle such as expanding the team. Even as they work to broaden their reach there are still cases to be worked. When a partner at an investment firm goes missing Governor Greenwood reaches out for their assistance. Putting aside their grudges the team uses their combined skills to unravel the mystery. Not only do secrets emerge where the case is concerned many more are brought to light within the team itself.

Hot Chocolate Wishes Nicole Edwards, 2023-12-04 See what's happening at Christmas in Coyote Ridge with never before seen characters who are proving that the holidays are even better when they're naughty. Reilly Jameson has had a crush on her older brother's best friend for as long as she can remember. This year she's decided to put it all on the line and see if she can give Brady McCord a nudge in the right direction. She intends to show him that despite the age difference they can be really good together. Donovan Jameson has shrugged off his attraction to his little sister's best friend for quite some time because Tate Riggs is not his type. But for some reason he can't shake it anymore. When Tate calls him sweetie Donovan wants nothing more than to dominate the younger man and show him just how sweet they can be together. This is a full length holiday romance with HEAs for two separate couples. Since their lives are so intertwined it seemed more fun to let it play out side by side.

Filthy Hot Billionaire Nicole Edwards, 2022-04-19 Knox Montgomery. My obsession with Emily Campbell started when she was fifteen years old. Her age made her completely off limits to me. The fact that her father was married to my mother only made it socially frowned upon. That was then. This is now. Emily's a woman now and our parents are no longer married. However there are still complications. Like the fact my mother stole seventy million dollars from me and her father was complicit in the crime. When the time comes for them to repay that debt her father offers Emily up on a silver platter. I turned him down because I'm many things but certainly not a cliché. Instead I gave him an additional three years to get his affairs in order. He didn't know it at the time but that was more for me than for him. Not enough drama. Good because I've got another obsession. His name is Kieran O'Rourke. It started the day the Irishman introduced himself to me although I've never admitted that to anyone. Certainly not him. Nor did I give in right away because that would've been too easy. Complications are compounded when Emily believes I betrayed her and her family by taking back what was rightfully mine which only delays my plans. Being one of the wealthiest men in the world I have an endless supply of resources, a long list of things to keep me busy and an abundance of patience. No matter what I will introduce Emily and Kieran to one another and when I do life as we know it will be irrevocably changed. This is my story of obsession, betrayal and surrender. Some might say I have my work cut out for me. Good thing I enjoy a challenge. This is a standalone novel.

Violet Nicole Edwards, 2024-10-22 Curses. To believe or not to believe Violet Anderson believed. How could she not when the proof was right in front of her. And her curse well it meant that like her mother and older sisters she was doomed to spend her life pining for a man who would undervalue her. Not that she would allow that to happen. She'd never met a man

worth pining for Then Simon Jennings walked into her bookstore Aside from being hot enough to put her brain on the fritz the man was not her type He was one of those nice guys the kind who opened doors and didn't try to cop a feel during a simple goodnight kiss Since the curse ensured nice guys would never fall in love with her Violet knew her best bet was to stay as far from him as she could Too bad Simon didn't get the memo When Simon's charm proves too powerful to resist Violet gives in to the undeniable chemistry After all it's not like she would fall in love with a handsome stranger after one night right
