Francis, 2017-06-10. The Seven Laws of Seduction is a simple step by step guide that gives men everything they need to know about how to attract, seduce, and sleep with multiple women. Are you the kind of guy who has trouble relating to women but who longs to find a girlfriend? Or maybe you're in a relationship that is no longer working but you're afraid to leave, believing that you don't have any other options? Or you are envious of your natural friends who seem to have no trouble in picking up cute girls for one night stands? Perhaps you are a seasoned player looking for new cutting edge perspectives? Maybe you've read other seduction guides and found them lacking and you simply don't have the time or the inclination to sift through dubious information online or attend costly seminars and bootcamps? If so then The Seven Laws of Attraction is for you. I'm Troy Francis and over the last decade I've made the transformation from loser with women to Lothario. From being a guy too shy to even look at an attractive girl, the last ten years have seen me embark on a journey that has spanned the globe during which I have become friends with an exclusive clique of the world's foremost seducers and playboys, meeting and bedding multiple women of all nationalities along the way. How did my fortunes change so radically? Because I discovered The Seven Laws of Seduction, closely guarded secrets of female psychology and how to leverage it that are known and applied by every international ladies man but which are rarely revealed to the general public. The Seven Laws of Seduction is packed with killer information designed to hardwire the knowledge of the world's greatest pick up artists and alpha playboys directly into your brain in a fraction of the time it took for me to internalise it. In the book you will learn: How to bring out your true alpha self, revealing the raw masculinity that women crave. How to achieve a sense of limitless abundance that will draw women to you like a magnet. How to meet women every day in places you would never have thought it possible. How to create opportunities to meet that drop dead gorgeous girl. How to significantly reduce your fear of approaching. The two seduction models, one tier and two tier. Know which one you're in and how to get the result you want in each. How a lot of conventional PUA thinking is wrong and how going with what you know in the moment will yield massive results. How to leverage

masculine feminine polarity to get her tingling with excitement How your approach in itself can create huge attraction in the girl How to create a force field around you enabling you to withstand even the highest degree of social pressure Mind control techniques to crush your fear of rejection Why leagues don't really exist and that you can attract much hotter women than you currently think The special techniques you need to know to pull women effortlessly in clubs How to heat up your interactions with women so they sizzle with sexual tension How you can get a girl so excited with direct sexual references that she is literally begging to sleep with you Exactly what to do on a first date to get the girl to come home with you for sex How having a certifiably insane degree of self love will cause women to chase you The book presents a clear and logical system for meeting and attracting the hottest women imaginable with a practical user friendly layout Each chapter describes and explains one of the Seven Laws in detail and also includes A real life example from my own life that illustrates and explains the relevant concepts presented and shows exactly what is possible for an ordinary guy to achieve A list of Core Principles essentially a cheat sheet summarising the content that precedes it Exercises to motivate you and get you out there practicing what you have learned These techniques WILL skyrocket your success
