Jane Eyre on Stage, 1848-1898 Patsy Stoneman, 2007 Between 1847 and 1900 at least eight different stage versions of Jane Eyre appeared in England America and continental Europe For the first time all eight plays are available in Patsy Stoneman's fully annotated and richly illustrated critical edition *Jane Eyre in German Lands* Lynne Tatlock, 2022-01-13 Lynne Tatlock examines the transmission diffusion and literary survival of Jane Eyre in the German speaking territories and the significance and effects thereof 1848 1918 Engaging with scholarship on the romance novel she presents an historical case study of the generative power and protean nature of Brontë's new romance narrative in German translation adaptation and imitation as it involved multiple agents from writers and playwrights to readers publishers illustrators reviewers editors adaptors and translators Jane Eyre in German Lands traces the ramifications in the paths of transfer that testify to widespread creative investment in romance as new ideas of women's freedom and equality topped the horizon and sought a home especially in the middle classes As Tatlock outlines the multiple German instantiations of Brontë's novel four translations three abridgments three adaptations for general readers nine adaptations for younger readers plays farces and particularly the fiction of the popular German writer E Marlitt and its many adaptations evince a struggle over its meaning and promise Yet precisely this multiplicity repetition redundancy and proliferation combined with the romance narrative's intrinsic appeal in the decades between the March Revolutions and women's franchise enabled the cultural diffusion impact and long term survival of Jane Eyre as German reading Though its focus on the circulation of texts across linguistic boundaries and intertwined literary markets and reading cultures Jane Eyre in German Lands unsettles the national paradigm of literary history and makes a case for a fuller and inclusive account of the German literary field **The Lost Books of Jane Austen** Janine Barchas, 2019-10-08 Hardcore bibliography meets Antiques Roadshow in an illustrated exploration of the role that cheap reprints played in Jane Austen's literary celebrity and in changing the larger book world itself Gold Winner of the 2019 Foreword INDIES Award for History by FOREWORD Reviews In the nineteenth century inexpensive editions of Jane Austen's novels targeted to Britain's working classes were sold at railway stations traded for soap wrappers and awarded as school prizes At just pennies a copy these reprints were some of the earliest mass market paperbacks with Austen's beloved stories squeezed into tight columns on thin cheap paper Few of these hard lived bargain books survive yet they made a substantial difference to Austen's early readership These were the books bought and read by ordinary people Packed with nearly 100 full color photographs of dazzling sometimes gaudy sometimes tasteless covers The Lost Books of Jane Austen is a unique history of these rare and forgotten Austen volumes Such shoddy editions Janine Barchas argues were instrumental in bringing Austen's work and reputation before the general public Only by examining them can we grasp the chaotic range of Austen's popular reach among working class readers Informed by the author's years of unconventional book hunting The Lost Books of Jane Austen will surprise even the most ardent Janeite with glimpses of

scruffy survivors that challenge the prevailing story of the author's steady and genteel rise. Thoroughly innovative and occasionally irreverent, this book will appeal in equal measure to book historians, Austen fans, and scholars of literary celebrity.

She played and sang Gillian Dooley, 2024-03-05. Like her much-loved heroine Emma Woodhouse, Jane Austen played and sang. Music occupied a central role in her life, and she made brilliant use of it in her books to illuminate characters, personalities, and highlight the contrasts between them. Until recently, our knowledge of Austen's musical inclinations was limited to the recollections of relatives who were still in their youth when she passed away. But with the digitisation of music books from her immediate family circle, a treasure trove of evidence has emerged. Delving into these books alongside letters and other familial records, *She played and sang* unveils a previously unknown facet of Austen's world. This insightful work not only uncovers the music closely associated with Austen but also unravels her musical connections with family and friends, revealing the intricate ties between her fiction and the melodies she performed. With these revelations, Austen's musical legacy comes to life, granting us a deeper understanding of her artistic prowess and the influences that shaped her literary masterpieces.

Master Mac David Dworsky, 2010-12. Master Mac spans three generations of high-achieving men and women who changed not only their own but many other pieces of the world. Despite differences in ages and backgrounds, they were linked by what McBurney had taught them. That linkage encompassed classrooms, conference rooms, operating rooms, ballrooms, and bedrooms. The people of Master Mac liked each other, respected each other, believed in each other, fought for and with each other, and slept with each other. The First Generation Founders of the Flame included the British-born and educated Richard Amberton MacAllister, who became the Master Mac of the story, and Frank Abner, a one-time jailhouse kid and World War Two Marine who became Master Whack, a prep school disciplinarian with compassion. Among the Second Generation Keepers of the Flame were Roscoe Zill, head of America's third largest company, and womanizer extraordinaire Aaron Diehl, a talk show host with an international audience. Ronald Kittle and Deena Kass, developers of mass communications, and Arthur Astrachian, vice president of the United States. The Third Generation Inheritors of the Flame raised the standard of excellence still higher. Maryann Randolph, a battlefield transplant surgeon who received the Nobel Prize in Medicine. Zachary Zill, a naval aviator who became an astronaut and was awarded the Medal of Honor for a daring rescue in space. Tameka Astrachian, who became a gifted actress and then a recluse. Matthew Bowen, a peace advocate who was brutally murdered in the barrios of East Los Angeles. Joyce Levanto, the secret service agent who failed to protect the president from terrorists. And Steven Kittle Kass, who won a seat in the US Senate by applying the lessons of McBurney. These are the people of Master Mac. The people of excellence.
