Language Policy Processes and Consequences Sarah Catherine K. Moore, 2014-06-23 This book accessibly and comprehensively outlines the highly complex case of the English only movement and educational language policy in Arizona. It ranges from early Proposition 203 implementation to an investigation of what Structured English Immersion SEI policy looks like in today's classrooms and concludes with a discussion on what the various cases mean for the education of English learners in the state. *Who's who in the West*, 1998 *Who's who in the Midwest*, 2004 Certified Peer Educator Training Kit BACCHUS Initiatives of NASPA, 2019-07 Facilitator's Guide to Starting Strong Kristen J. Page, Deborah S. Page, 1997-03-01 **The Effective Facilitator's Handbook** Cathy A. Toll, 2023-01-24 A one stop shop to answer your most pressing questions about what it takes to facilitate. Workshops, committees, teams and study groups are a regular part of an educator's professional life and any educator can find themselves in the facilitator role with a responsibility to aid the group in achieving its goals. The Effective Facilitator's Handbook is here to help. Professional development expert Cathy A. Toll has written a guide for busy facilitators starting with four simple rules for successful facilitation: listen, start with the end in mind, lead with productive tools and stay organized. The processes, tools and templates in each chapter are easy to apply and offer advice about how to create a welcoming environment, set the right tone, understand the group's dynamics, improve communication and more. This book walks you through the unique purposes, pitfalls and needs of specific types of groups: whether it's a professional development workshop, a committee focused on one decision or problem, a team that regularly collaborates for student success or a study group learning about a specific issue. But Toll also considers the bigger picture and connects the patterns behind different types of facilitation skills that will serve you in a variety of situations and settings. As an effective facilitator, you'll be able to increase the value of group time, foster engagement and help teachers improve their practice so that they can bring their best to the classroom each day. **Teacher Series Facilitator's Guide #1**, 2001-01-01 It's Your Turn Robert Garmston, Carolyn McKanders, 2025-02-17 In *It's Your Turn*, authors Robert Garmston and Carolyn McKanders increase the confidence and competence of teacher facilitators while mitigating the challenges and tensions they face. Educators using this handbook will learn to use language that conveys positive intentions and stimulates a group's work, authentically gain trust, improvise when plans falter and understand the importance of diversity within groups.
