Fleitz, 2025-09-23 Based on true events

IMPERFECT HAPPINESS follows the author's journey dreaming of business success as a teenager from a poor community to securing the American Dream, the pinnacle of leadership achievement, followed by the emptiness of this lifelong goal. Ready to follow Jesus but overwhelmed by what to do, the book details life's failures and dead ends without godly hope, contrasted by living life well and a greater sense of purpose with God. The author illustrates to readers through life events what revering the Bible means. Recognizing that God is always with us, the author's trek is a nontraditional path to building a relationship with Jesus. The narrative will make you smile, think, and hopefully pursue Godly Wisdom, the necessary ingredient for happiness on earth. Imperfect Happiness represents the peaks and valleys in our life as we learn to take the worry out of living by gaining Wisdom and giving God greater control. Perfect Twists are the unexpected miracles in God's plan for our lives. The author's Perfect Twists include two serious health challenges and disappointing life events providing opportunities for him to build a closer relationship with God while discovering greater comfort, happiness, and contentment. The narrative teaches us that God will not fix everything that worries us, but he will carry things for us and will handle them in the best possible way so we can win life's passage pursuing the PERFECT HAPPINESS of heaven. IMPERFECT HAPPINESS is a musical of sorts, combination adventure and love story offering practical advice, authentic prayers, and pause and reflect.

always believed in the healing power of our Lord and viewed my life as one of service to Him via the practice of medicine But in retrospect I had a deeper trust in the power of modern medicine and science than I did in Jesus Christ and His fully accomplished work on the Cross My thinking was flawed but as I grew in my walk with the Lord and meditated on Scripture more fully I began to see the superiority of faith over the limited interventions modern medical science had to offer and that this interplay between faith and science was not mutually exclusive but complimentary for the spiritual aspects of our lives illuminate and empower the carnal aspects of intellect and physical senses I began jotting notes to myself related to this interplay of faith and healing and science and just filed them away for years I Then in December of 2017 a baby was born to a first time mother of mine his little body riddled with the most fulminant form of acute lymphoblastic leukemia almost always fatal His absolutely miraculous healing was the impetus to start putting these thoughts into writing in the form of weekday morning emails entitled A Christian Doctor's View of Healing Faith and Science It was soon made clear to me that these writings were to take the form of a year long devotional book comprised of short weekday messages that are intimately linked such that they can be read through as a book And that book was to paint a picture and that picture was to be of a face and the face was to be that of Jesus for He is the source of all healing The Joy of a Word Filled Family BFM
