2 pages | 387 words

Do you have some one that you admire? Do you have someone that you look up to? I'm sure you do. Most people I know do as well. Generally people admire someone that is related or close to them. All he has to do is either work on something or read about it and he will know how to do it forever. I have always wished that it were this easy for me to pick something up and learn it. That's just another reason why I have so much respect and admiration for my father. Another reason why I admire my dad so much is...
