Personal Financial Planning Case Studies:

A Handbook of Case Studies in Finance Tarika Singh, 2017-06-20 This book links the theory of finance to the decisions related to various aspects of the financial management of an organisation In order to provide the reader with a better understanding of the concept of finance a theoretical guide to related terminology is included here The case studies brought together require students to look deep into the concepts of finance in order to solve the problems and issues they present The case studies here focus on important concepts of finance which help students to relate the concept with decision making processes Case Studies in Management and Business (Volume 4) (UUM Press) Soon Jan Jan, 2018-01-01 This is the fourth

volume of the compilation of case studies by UUM s Institute of Management and Business Research IMBRe Following the successful publication of its three predecessors the current Volume 4 selects and includes the best Malaysian case studies in the broad areas of management economics and marketing It is IMBRe s aspiration to encourage both academics and students to embrace the case study approach as an effective pedagogical tool The cases are designed and written by academics to be used for both undergraduate and postgraduate courses in which the academics themselves more often than not serve as instructors Although each case is written specifically to cater for a particular course it can be adapted for other related courses

Case Studies in Project, Program, and Organizational Project Management Dragan Z. Milosevic, Peerasit Patanakul, Sabin Srivannaboon, 2011-08-17 The ever expanding market need for information on how to apply project management principles and the PMBOK contents to day to day business situations has been met by our case studies book by Harold Kerzner That book was a spin off from and ancillary to his best selling text but has gained a life of its own beyond adopters of that textbook All indications are that the market is hungry for more cases while our own need to expand the content we control both in print and online would benefit from such an expansion of project management case content The authors propose to produce a book of cases that compliment Kerzner s book A book that offers cases beyond the general project management areas and into PMI s growth areas of program management and organizational project management The book will be structured to

follow the PMBOK in coverage so that it can not only be used to supplement project management courses but also for self study and training courses for the PMP Exam PMI PMBOK PMP and Project Management Professional are registered marks of the Project Management Institute Inc Case Studies in Management and Business (Volume 5) (UUM Press) Nora Azureen Abdul Rahman, 2020-01-01 Institute for Management and Business Research IMBRe Universiti Utara Malaysia is pleased to present this book which contains a compilation of management and business case studies The cases in the book are meant for teaching and learning and could be used at both undergraduate and postgraduate levels Specifically the first case about Damai Industries Sdn Bhd requires students to apply their knowledge of how to manage a business with respect to corporate governance marketing financial management and strategic management in order to sustain the business in the long run The second case study which is about the credit challenge faced by Mesra Motel requires students to apply their knowledge of banking and financial management to come up with capital raising strategies to ensure that the hotel project runs smoothly The third case about Credit Card Usage requires students to apply their knowledge of personal finance credit management and bank management to reduce financial problems due to mismanagement of credit cards The fourth case about Classy Tech Machinery Sdn Bhd requires students to apply their knowledge of insurance concepts and principles such as insurance contracts and claims in making decisions on the liabilities of the company The fifth case about 5Ds Enterprise requires students to apply their knowledge of human resource management with regards to recruitment development and management to come up with strategies to retain the company's workforce The sixth and last case is about Persuasive Communication It requires students to apply their knowledge of how to communicate effectively to ensure that ideas information knowledge and values reached the target audience
