Philosophy Of Religion Selected Readings 2nd Edition

Phillip H. Wiebe

Philosophy Of Religion Selected Readings 2nd Edition:

Philosophy of Religion Beverley Clack, Brian R. Clack, 2008-06-03 The first publication of Beverley Clack and Brian R. Clack's exciting and innovative introduction to the philosophy of religion has been of enormous value to students as well as providing a bold and refreshing alternative to the standard analytic approaches to the subject. This second edition retains the accessibility which made it popular for both teachers and students while furthering its distinctive argument that emphasises the human dimension of religion. The text has been fully revised and updated. The traditional emphasis on the arguments for the existence of God is reflected in a newly extended and reworked investigation into natural theology. Recent developments in the subject are also reflected in updated chapters and in a move that highlights the originality of the authors' approach: they offer a critical engagement with current world events. An entirely new concluding chapter interrogates the connection between religion and terror and demonstrates how philosophy of religion might be conducted under the terrible shadow of 9/11. This new edition of *The Philosophy of Religion* will continue to be essential reading for all students and practitioners of the subject.

Philosophy of Religion William Hasker, David Basinger, Bruce Reichenbach, 2001 This anthology of readings in philosophy of religion examines the field through a selection of classic and contemporary works organized into thirteen thematic sections. Each section begins with an introduction revised for this edition to the central topic and ends with updated suggested further readings. Included in the works new to second edition are selections from John Locke, Moses Maimonides, the Upanishads, Lao Tzu, The Dalai Lama, Stephen Jay Gould, Richard Dawkins, Sarah Coakley, Anthony Flew, and George Mavrodes. The anthology works well as a stand-alone source for courses in the philosophy of religion; it is also an ideal companion to the editors' textbook *Reason and Religious Belief* Second Edition OUP 1998 because the books have a common topical structure.

Philosophy of Religion, 2013-08-05 *Philosophy of Religion: The Basics* offers a concise introduction to philosophy of religion, distilling key discussions and concepts of the subject to their succinct essence, providing a truly accessible entry into the subject. A truly accessible introduction to philosophy of religion for beginners. Takes a topical approach, starting with the nature of religion and moving the reader through the major concepts, explaining how topics connect and point to one another. Offers a thorough and full treatment of diverse conceptions of God, the ontological argument, and divine attributes and dilemmas. A genuinely concise introduction; this text can be used alongside other resources without overtaxing students. Represents 30 years of experience teaching to undergraduates. Includes a free downloadable file with key excerpts and additions to help students study.

Philosophy of Religion John Cottingham, 2014-09-15 Religious belief is not just about abstract intellectual argument; it also impinges on all aspects of human life. John Cottingham's *Philosophy of Religion* opens up fresh perspectives on the philosophy of religion, arguing that the detached neutrality of much of contemporary philosophizing may be counterproductive, hardening us against the receptivity required for certain kinds of important evidence to become salient. This book covers all the traditional areas of the

subject including the meaning of religious claims the existence of God and the relation between religion and morality as well as the role of spiritual praxis and how religious belief affects questions about the meaning of life human suffering and mortality While preserving the clarity and rigor that are rightly prized in the analytic tradition the book also draws on insights from literary and other sources and aims to engage a wide readership

A Dictionary of Philosophy of Religion, Second Edition Charles Taliaferro, Elsa J. Marty, 2018-01-25 A Dictionary of Philosophy of Religion is an indispensable resource for students and scholars Covering historical and contemporary figures arguments and terms it offers an overview of the vital themes that make philosophy of religion the growing vigorous field that it is today It covers world religions and sources from east and west Entries have been crafted for clarity succinctness and engagement This second edition includes new entries extended coverage of non Christian topics as well as revisions and updates throughout The first edition was named a Choice Outstanding Academic Title of the Year

The Oxford Handbook of Philosophy of Religion William Wainwright, 2004-12-16 The Oxford Handbook of Philosophy of Religion contains newly commissioned chapters by 21 prominent experts who cover the field in a comprehensive but accessible manner Each chapter is expository critical and representative of a distinctive viewpoint

The Problem of Evil Michael L. Peterson, 2016-11-15 Of all the issues in the philosophy of religion the problem of reconciling belief in God with evil in the world arguably commands more attention than any other For over two decades Michael L Peterson s *The Problem of Evil Selected Readings* has been the most widely recognized and used anthology on the subject Peterson s expanded and updated second edition retains the key features of the original and presents the main positions and strategies in the latest philosophical literature on the subject It will remain the most complete introduction to the subject as well as a resource for advanced study Peterson organizes his selection of classical and contemporary sources into four parts important statements addressing the problem of evil from great literature and classical philosophy debates based on the logical evidential and existential versions of the problem major attempts to square God s justice with the presence of evil such as Augustinian Irenaean process openness and *felix culpa* theodicies and debates on the problem of evil covering such concepts as a best possible world natural evil and natural laws gratuitous evil the skeptical theist defense and the bearing of biological evolution on the problem The second edition includes classical excerpts from the book of Job Voltaire Dostoevsky Augustine Aquinas Leibniz and Hume and twenty five essays that have shaped the contemporary discussion by J L Mackie Alvin Plantinga William Rowe Marilyn Adams John Hick William Hasker Paul Draper Michael Bergmann Eleonore Stump Peter van Inwagen and numerous others Whether a professional philosopher student or interested layperson the reader will be able to work through a number of issues related to how evil in the world affects belief in God

A Philosophy of the Christian Religion Nancey Murphy, 2018-10-30 Each field of study comes with its own set of questions each period of time refines and redirects those questions The Christian religion as we find it in the twenty first century presents a unique set of problems to be solved and questions to be answered In this introduction to

the philosophy of the Christian religion eminent philosopher and theologian Nancey Murphy applies the tools of philosophical analysis to a set of core yet contemporary religious questions what does our historical moment mean for the possibility of knowing God Is faith still possible Does God intervene in human history Is there such a thing as universal knowledge of God Written with the needs of students encountering the philosophy of religion for the first time in mind this book provides a comprehensive introduction to the fundamental questions inherent in Christian faith Murphy also provides tools for how to answer those questions The Spirit of American Liberal Theology Gary Dorrien,2023-09-05 The Spirit of American Liberal Theology is an interpretation of the entire U S American tradition of liberal theology A highly condensed and far more accessible summary of Gary Dorrien s three volume trilogy The Making of American Liberal Theology Westminster John Knox Press 2001 2003 and 2006 Dorrien here presses the argument that the most abundant diverse and persistent tradition of liberal theology is the one that blossomed in the United States and is still refashioning itself While discussions of English and German liberalism persist new material includes expanded treatment of the Black social gospel the Universalists developments into early 2020s and a robust expression of the author s post Hegelian liberal liberationist perspective

Problems of Faith S.H. Smith,2014-07-11 The material here was originally intended as a third section in Smiths previous offering The Problem of God but took on a life of its own to become a separate work The Problem of Faith is thus a sequel to the former work and deals with those questions with which all thinking believers wrestle the nature of religious language evil and the God of love the concept of miracles and of prayer the relationship between faith and reason life after death and the problem of hell The aim is to encourage the reader to engage afresh with these essential issues *God at the Crossroads of Worldviews* Paul Seungoh Chung,2016-10-22 Debates about the existence of God persist but remain at an impasse between opposing answers God at the Crossroads of Worldviews reframes the debate from a new perspective characterizing the way these positions have been defined and defended not as wrong per se but rather as odd or awkward Paul Chung begins with a general survey of the philosophical debate regarding the existence of God particularly as the first cause and how this involves a bewildering array of often incommensurable positions that differ on the meaning of key concepts criteria of justification and even on where to start the discussion According to Chung these positions are in fact arguments both from and against larger more comprehensive intellectual positions which in turn comprise a set of rival worldviews Moreover there is no neutral rationality completely independent of these worldviews and capable of resolving complex intellectual questions such as that of the existence of God Building from Alasdair MacIntyre s writings on rival intellectual traditions Chung proposes that to argue about God we must first stand at the crossroads of the different intellectual journeys of the particular rival worldviews in the debate and that the discovery of such a crossroad itself constitutes an argument about the existence of God Chung argues that this is what Thomas Aquinas accomplished in his Five Ways which are often misunderstood as simple proofs From such crossroads the debate may proceed toward a more fruitful exploration of the question of God s existence

Chung sketches out one such crossroad by suggesting ways in which Christianity and scientific naturalism can begin a mutual dialogue from a different direction God at the Crossroads of Worldviews will be read by philosophers of religion advanced undergraduate and graduate students and theologians and general readers interested in the new atheism debates

Debating Christian Religious Epistemology John M. DePoe, Tyler Dalton McNabb, 2020-02-06 What does it mean to believe in God What passes as evidence for belief in God What issues arise when considering the rationality of belief in God Debating Christian Religious Epistemology introduces core questions in the philosophy of religion by bringing five competing viewpoints on the knowledge of God into critical dialogue with one another Each chapter introduces an epistemic viewpoint providing an overview of its main arguments and explaining why it justifies belief The validity of that viewpoint is then explored and tested in a critical response from an expert in an opposing tradition Featuring a wide range of different philosophical positions traditions and methods this introduction Covers classical evidentialism phenomenal conservatism proper functionalism covenantal epistemology and traditions based perspectivalism Draws on MacIntyre's account of rationality and ideas from the Analytic and Conservatism traditions Addresses issues in social epistemology Considers the role of religious experience and religious texts Packed with lively debates this is an ideal starting point for anyone interested in understanding the major positions in contemporary religious epistemology and how religious concepts and practices relate to belief and knowledge

Vicious Evil! Virtuous God? Lee Thai, 2024-04-30 If God is good and virtuous why is there so much vicious evil in this world Why does God let pain and evil fall on innocent little children Why does he not intervene Where is God when it hurts This groundbreaking book solves an enigma that has plagued humanity since times immemorial Using the concept of tough love Vicious Evil Virtuous God untangles the age old Epicurus's riddle resolves the contemporary problems of evil and provides some practical means to manage the evils in our lives and help others in their suffering Vicious Evil Virtuous God answers our many heart wrenching questions in this vale of suffering brings us comfort in our tribulations and equips us to make a defense for the hope that we share in Christ

Intuitive Knowing as Spiritual Experience Phillip H. Wiebe, 2015-09-16 This book is Wiebe's defense of the claim that a significant form of spiritual experience is found in knowing something we have no right to know He selects forty five first hand accounts from a data base at the University of Wales to make his case and in solidarity with those people recounts something of his own experience

Soul Loss and the Shamanic Story Michael Berman, 2009-03-26 Stories from various cultures and periods of time can be identified which deal with a concept of soul loss that is essentially shamanic In shamanism soul loss is the term used to describe the way parts of the psyche become detached when we are faced with traumatic situations In shamanic terms these split off parts can be found in non ordinary reality and are only accessible to those familiar with its topography Case studies are presented to show how the way soul loss is dealt with by indigenous shamans differs from the way it is treated by neo shamanic practitioners Stories have traditionally been classified as epics myths sagas legends folk tales fairy tales parables and fables However the

definitions of the terms have a tendency to overlap making it difficult to classify and categorize material For this reason a case can be made for the introduction of a new genre termed the shamanic story a story that has either been based on or inspired by a shamanic journey a numinous experience in non ordinary reality or one that contains a number of the elements typical of such a journey Within this new genre it is proposed that there exists a sub genre shamanic stories that deal specifically with soul loss and examples are presented and analysed to support this hypothesis Atheism and Theism J. J. C. Smart, J. J. Haldane, 2008-04-15 In this book two philosophers each committed to unambiguous versions of belief and disbelief debate the central issues of atheism and theism Considers one of the oldest and most widely disputed philosophical questions is there a God Presents the atheism theism issue in the form of philosophical debate between two highly regarded scholars widely praised for the clarity and verve of their work This second edition contains new essays by each philosopher responding to criticisms and building on their previous work Conflict En Route to Destiny Michael L. Jones, L. Jones Sr. Michael L. Jones Sr, Michael L. Jones Sr., 2010-06 As stated in the author s previous book the Making of a Man My Cross to Bear the author believes that you should take the time to read and study the contents in Conflict En Route to Destiny Have you ever thought of life as never quite being what it should be the author has discovered that in life the things that we have experienced can either make or break us The important thing is what you do with the hand that you are dealt in life The most important lesson for us is to trust in God and not get so wrapped up in what someone has or hasn t done for you even if they were your parents It s the author s hope that upon reading this book that victory will be found in our Lord and Savior Jesus Christ Just remember what the author said in his first book the Making of a Man My Cross to Bear if there is no cross then there will be no crown By trusting in God we will be able to rise from the ashes as we are rising from the ruins *Heterodox Shakespeare* Sean Benson, 2017-02-09 The last quarter century has seen a turn to religion in Shakespeare studies as well as competing assertions by secular critics that Shakespeare s plays reflect profound skepticism and even dismissal of the truth claims of revealed religion This divide though real obscures the fact that Shakespeare often embeds both readings within the same play This book is the first to propose an accommodation between religious and secular readings of the plays Benson argues that Shakespeare was neither a mere debunker of religious orthodoxies nor their unquestioning champion Religious inquiry in his plays is capacious enough to explore religious orthodoxy and unorthodoxy everything from radical belief and the need to tolerate religious dissent to the possibility of God s nonexistence Shakespeare s willingness to explore all aspects of religious and secular life often simultaneously is a mark of his tremendous intellectual range Taking the heterodox as his focus Benson examines five figures and ideas on the margins of the post Reformation English church nonconforming puritans such as Malvolio as well as physical revenants the walking dead whom Shakespeare alludes to and features so tantalizingly in Hamlet Benson applies what Keats called Shakespeare s negative capability his ability to treat both sides of an issue equally and without prejudice to show that Shakespeare considers possible worlds where God is intimately involved in the lives of

persons and in the very same play a world in which God may not even exist Benson demonstrates both that the range of Shakespeare's investigation of religious questions is more daring than has previously been thought and that the distinction between the sacred and the profane between the orthodox and the unorthodox is one that Shakespeare continually engages

Exegetical Crossroads Georges Tamer, Regina Grundmann, Assaad Elias Kattan, Karl Pinggéra, 2017-12-18 The art of interpreting Holy Scriptures flourished throughout the culturally heterogeneous pre modern Orient among Jews Christians and Muslims Different ways of interpretation developed within each religion not without considering the others How were the interactions and how productive were they for the further development of these traditions Have there been blurred spaces of scholarly activity that transcended sectarian borders What was the role played by mutual influences in profiling the own tradition against the others These and other related questions are critically treated in the present volume *The Analytic Theist* Alvin Plantinga, 1998 This collection of essays and excerpts gives a comprehensive overview of Alvin Plantinga's seminal work as a Christian philosopher of religion

This is likewise one of the factors by obtaining the soft documents of this **Philosophy Of Religion Selected Readings 2nd Edition** by online. You might not require more era to spend to go to the book launch as competently as search for them. In some cases, you likewise reach not discover the proclamation Philosophy Of Religion Selected Readings 2nd Edition that you are looking for. It will no question squander the time.

However below, considering you visit this web page, it will be in view of that certainly easy to acquire as competently as download lead Philosophy Of Religion Selected Readings 2nd Edition

Philosophy Of Religion Selected Readings 2nd Edition Introduction

In the digital age, access to information has become easier than ever before. The ability to download Philosophy Of Religion Selected Readings 2nd Edition has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Philosophy Of Religion Selected Readings 2nd Edition has opened up a world of possibilities.

Downloading Philosophy Of Religion Selected Readings 2nd Edition provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Philosophy Of Religion Selected Readings 2nd Edition has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Philosophy Of Religion Selected Readings 2nd Edition. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Philosophy Of Religion Selected Readings 2nd Edition. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the

legal distribution of content. When downloading Philosophy Of Religion Selected Readings 2nd Edition, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Philosophy Of Religion Selected Readings 2nd Edition has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Philosophy Of Religion Selected Readings 2nd Edition Books

1. Where can I buy Philosophy Of Religion Selected Readings 2nd Edition books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Philosophy Of Religion Selected Readings 2nd Edition book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
