[Common Core Curriculum: English, Grades K-5](#) Great Minds,2014-05-06 Common Core s English resources empower educators to meet the expectations of the Common Core State Standards CCSS for English Language

Arts ELA and build essential content knowledge for students in grades K-5. Each grade in The Wheatley Portfolio features a comprehensive coherent sequence of thematic units that engage students in deep study of worthwhile texts and topics. Features of this book include Six thematic units for each grade each centered on a curated collection of literary and informational texts. Focus standards for each unit that complement the topic and promote student mastery of essential literacy skills. Suggested texts and activities to incorporate science, art, and history into English instruction. This revised second edition includes a sample text study that guides students through a close read of an exemplary text, updated web resources, and refreshed suggested works. Educators who create their curriculum based on Common Core's Wheatley Portfolio guarantee that students are exposed to content-rich instruction and have ample opportunity to master the reading, writing, speaking, listening, and language skills articulated in the CCSS for ELA.

Common Core Curriculum Maps in English Language Arts, Grades 9-12 Great Minds, 2011-10-13. The first books to present specific guidance for teaching the Common Core State Standards. Forty-three states plus the District of Columbia and the U.S. Virgin Islands have signed on to adopt the Common Core State Standards. CCSS: The need for curriculum guides to assist teachers in helping students meet these standards has become imperative. Created by teachers for teachers, the research-based curriculum maps in this book present a comprehensive coherent sequence of thematic units for teaching the skills outlined in the CCSS for English language arts in Grades 9-12. Teachers can use the maps to plan their year and craft their own more detailed lesson plans. Each grade is broken down into six units that include focus standards, suggested works, sample activities, and assessments, lesson plans, and more. The maps address every standard in the CCSS yet are flexible and adaptable to accommodate diverse teaching styles. Any teacher, school, or district that chooses to follow the Common Core maps can be confident that they are adhering to the standards.

Media Literacy is Elementary Jeff Share, 2009. This book provides a practical and theoretical look at how media education can make learning and teaching more meaningful and transformative. It explores the theoretical underpinnings of critical media literacy and analyzes a case study involving an elementary school that received a federal grant to integrate media literacy and the arts into the curriculum. The ideas and experiences of working teachers are analyzed through a critical media literacy framework that provides realistic challenges and hopeful examples and suggestions. The book is a valuable addition to any education course or teacher preparation program that wants to promote twenty-first-century literacy skills: social justice, civic participation, media education, or critical technology use. Communications classes will find it useful as it explores and applies key concepts of cultural studies and media education.
