

**SECURITY GUARD POWER TO ARREST
AND
TRAINING REQUIREMENTS**

A security guard must complete 40 hours of required training and an 8-hour refresher course every 12 months after completing the 40-hour course. As part of that training, a security guard must complete an 8-hour Power to Arrest/Weapons of Mass Destruction Terrorism Awareness training course prior to submitting an application. In addition, 16 hours of training is required within the first 30 days of receiving a security guard registration, or within the first 30 days from the date of hire as a security guard. An additional 16 hours of training is also required within the first six months after receiving a security guard registration, or within the first six months of employment as a security guard.

Date of Completion	Training Hours Needed
Prior to submission of an application for a security guard registration	8 hours (4 hours of Powers to Arrest/4 hours Weapons of Mass Destruction/Terrorism Awareness Training)
Training Required within the first 30 Days after receipt of registration or date of hire.	16 Hours (8 hours mandatory courses/8 hours of elective courses from training syllabus)
Training Required within the First Six Months after receipt of registration or date of hire.	16 Hours (8 hours mandatory courses/8 hours of elective courses from training syllabus)
TOTAL HOURS	40 HOURS
Annual Continuing Education Required after first year of licensure	8 Hours Annually

A brief course of study in these laws and procedures is required prior to application for a "guard card." The following code sections describe the requirements in detail.

**DIVISION 3, CHAPTER 11.5, PRIVATE SECURITY SERVICES
ARTICLE 4****Business and Professions Code Section 7583.6 (Excerpt)**

(a) A person entering the employ of a licensee to perform the functions of a security guard or a security patrolperson shall complete a course in the exercise of the power to arrest prior to being assigned to a duty location.

(b) Except for a registrant who has completed the course of training required by Section 7583.45, a person registered pursuant to this chapter shall complete not less than 32 hours of training in security officer skills within six months from the date the registration card is

Security Guard Test Preparation Guide Sws Inc,2020-01-10 This test preparation guide is designed to assist security guards in preparing for the ministry's mandatory test. The guide will outline key areas that security guards should be familiar with to ensure they perform their duties in accordance with the Private Security and Investigative Services Act 2005 PSISA and its regulations. The subjects covered align with the ministry's Training Syllabus for Security Guards. Although the guide is meant to assist candidates in preparing for and writing the test, it does not constitute a training manual and is not a substitute for an in-person training course. At the end of each section of this test preparation guide, you will find links to external resources that may be of further assistance to you. Many of these will bring you to various laws and regulations; it is recommended that you have an overall understanding of these and how they relate to key topics covered in the test. Other links will bring you to existing training materials available to the public. While these materials may contain valuable information, please keep in mind that they were not specifically designed for Ontario's security guard and private investigator training and testing program. About the Test: The ministry's tests were developed by subject matter experts (SMEs) in the private security and investigative services industry who worked with the ministry's test development consultant CASTLE Worldwide Inc. The SMEs developed the test questions using a protocol of writing and review that conforms to the best practices of psychological and test development standards. They comprehensively reviewed and validated each question for appropriateness of the answers and correct answer keys. A panel of SMEs also reviewed and tested the questions and participated in setting the cut scores/pass marks for the tests. The security guard test is in a written 60-question multiple-choice format. Test appointments are 2 hours in duration; 75 minutes of which is the allotted test completion time. **A Guide**
