commentary on Paul's letter to the Colossians guides you in doing just that. Even though we will be exploring ancient biblical cultures and learning plenty about the Greek language, no prior academic training is needed. Technical terms have been set aside. Instead, with everyday language, we will discover the big picture and revel in the fine details of this stunning letter, amazed by how God is still speaking these same words today to contemporary personal and social challenges. We will not then be tourists rapidly zipping through Colossians as if on a monotonous interstate highway. Instead, we will be hiking our way through this letter, step by step, phrase by phrase, finding joy in God's truth and growing in our faith. Come and join the journey. The New Testament of our Lord and Saviour Jesus Christ Christopher Wordsworth, 1872
