

Self-Introduction

I am Roy Tsang and I am currently studying in F.5 at Ng Yuk Secondary School. I study a total of 6 subjects, including core subjects like Chinese, English, Maths and Liberal Studies and elective subjects like Biology and Chemistry. I am an active person because I have joined many extra-curricular activities. I am the Captain of the school's Basketball Team and Swimming Team. I am very outgoing as I like traveling to make new friends. My favourite country is Australia because there are many unique animals in Australia, for example kangaroos and koalas. I am an easy-going person and I have many friends in school.

Why you want to join the programme

I want to join the program as I believe I would benefit greatly from the overseas exchange experience. It is an enriching experience to broaden my horizon. Firstly, I can improve my language. In the programme, I will communicate in English, so I can improve my English, especially oral speaking skills and develop communication skills. In the exchange program, I will go to other countries and learn foreign languages. Besides, I can stay with a local family to get a taste of living in a different culture. I am eager to learn about the culture of other countries so I can know about other local cultures to broaden my global outlook. Moreover, it is a valuable experience to step out of my comfort zone and adapt to a new environment. I will live with a local family and I can make new friends there to broaden my horizon. I have to look after myself and I think this will encourage personal growth.

Why you think you are a suitable candidate

I am a self-motivated person and I am willing to learn about other countries' cultures. If I join the exchange programme, I will be eager to learn more about other cultures. I believe the exchange program can improve my English. I will grasp every opportunity to get the most out of the overseas exchange programme. In the programme, I am sure I can get along with others to make more new friends and facilitate cultural exchange.
