Saigonhanoi Tome Saigonhanoi:

My Saigon: The Local Guide to Ho Chi Minh City, Vietnam Elly Thuy Nguyen, 2024-01-21 Experience real Saigon My Saigon 2024 Saigon Ho Chi Minh City offers bustling streets amazing walks too hip for you cafes rocking music clubs luxurious salons explosively delicious restaurants and indoor cat zoos Saigon is Vietnam It s young practical crowded and a little bit brash Most visitors to Saigon see the same boring attractions boring restaurants tourist trap markets and War propaganda Saigon has so much more to experience than tourists see My Saigon gives you the insider track the most amazing experiences the cultural backstories the practical go to tips the best coffee the best food far beyond pho and banh mi the best hangouts the coolest stuff and hipsters hipsters everywhere Details about 90 day and multi entry electronic visas to Vietnam new as of August 2023 Big picture navigation History your tour guides aren t allowed to mention Good hotels for cheap without hostels bedbugs and weird smells Get mobile data up and running without being scammed The best pho in Saigon no it s not the one in the backpacker district Awesome authentic cheap restaurants where my friends and I eat and Tripadvisor has no clue about Coffee Did someone say coffee 1930s coffee street coffee specialty coffee all kinds of coffee I ll tell you where Hang out with Vietnamese people munch on dried squid listen to Viet Pop if you dare Make cool friends date guys or girls whatever flag you might fly Bust out with Saigonese slang to make your new friends laugh Watch out for Saigon s mafia they run the streets and they don t announce themselves Don t unintentionally offend people by wearing a popular tourist souvenir t shirt You definitely shouldn t give money to beggars and street kids Avoiding taxi scams in Saigon is so easy but most tourists refuse to learn My Saigon is a guide a love confessional an instruction manual and an ode to the city

Evaluation of the International Finance Corporation's Global Trade Finance Program, 2006-12 The World Bank, 2013-09-04 As part of its strategy to support global trade the World Bank Group seeks to enhance trade finance in emerging markets In 2005 the International Finance Corporation IFC part of the Bank Group introduced the Global Trade Finance Program GTFP to support the extension of trade finance to underserved clients globally This IEG evaluation found that overall the GTFP was a relevant response to the demand to reduce risk in trade finance in emerging markets The program significantly improved IFC s engagement in trade finance by introducing an open network of banks and a quick flexible response platform to support the supply of trade finance IEG s evaluation covers the program s operations from its inception in 2005 through FY2012 The program grew from a 500 million annual commitment to 5 billion in FY12 It accounted for 39 percent of total IFC commitments and has low costs it accounted for 2.4 percent of IFC s capital use and 1.2 percent of its staff costs and has had no claims to date It is profitable as well although not to the extent originally expected accounting for 0.6 percent of IFC s net profit IEG found that the GTFP has particular additionality among higher risk countries In its early years it was concentrated in these countries particularly in Africa During the global crisis the program risk mitigation instrument became relevant in much broader markets Client feedback on the program has been positive In its evaluation IEG

does offer several recommendations to enhance its effectiveness including on issues of transparency and reporting methods as well as expanding the share of the program in needier markets For development professionals the lessons in this evaluation can be applied to private sector development situations particularly mitigation of financing risks in emerging markets

Happy in Hanoi: The Local Guide to Hanoi, Vietnam Elly Thuy Nguyen, 2023-11-13 Hanoi a maze of alleys lakes pagodas jazz clubs cafes and Soviet statues Even for us Vietnamese people Hanoi is infamously inscrutable It's Vietnam's enigma wrapped in a mystery with egg cream on top You can take the easy well trodden path the tourist market the tourist pho restaurant the tourist beer street and a dude in a glass case Or you can go local eat the pho that Vietnamese foodies eat drink the coffee Vietnamese hipsters drink and hang out on the other beer street the one that's not in any guidebooks the one for locals I'll even show you a super creepy abandoned amusement park Instead of canned propaganda you'll understand the real stories behind the places and people you're seeing You'll meet the locals Yes they'd love to chat with you they want to practice their English and no they don't hate Americans Nobody cares about the war anymore We'll wander down sketchy alleys and experience amazing places you'd never find in mass market foreigner produced ChatGPT written guidebooks I'll also teach you practical skills to break away from the guided tours and well worn tourist attractions the lowdown on Vietnam visas the rules were completely changed in 2023 how to get around how to buy things what to say and what and whom to avoid My guidebooks took you to Saigon and Da Nang You had a great time Now let's meet the final boss Hanoi You'll love it I promise

The Indochinese Experience of the French and the Americans Arthur J. Dommen, 2002-02-20 Dommen's book promises to be the definitive political history of Indochina during the Franco American era William M Leary E Merton Coulter Professor of History University of Georgia This magisterial study by Arthur J Dommen sets the Indochina wars French and American in perspective as no book that has come before He summarizes the history of the peninsula from the Vietnamese War of Independence from China in 930-39 through the first French military actions in 1858 when the struggle of the peoples of Indochina with Western powers began Dommen details the crucial episodes in the colonization of Indochina by the French and the indigenous reaction to it The struggle for national sovereignty reached an acute state at the end of World War II when independent governments rapidly assumed power in Vietnam and Cambodia When the French returned the struggle became one of open warfare with Nationalists and Communists gripped in a contest for ascendancy in Vietnam while the rulers of Cambodia and Laos sought to obtain independence by negotiation The withdrawal of the French after their defeat at Dien Bien Phu brought the Indochinese face to face whether as friends or as enemies with the Americans In spite of an armistice in 1954 the war between Hanoi and Saigon resumed as each enlisted the help of foreign allies which led to the renewed loss of sovereignty as a result of alliances and an increasingly heavy loss of lives Meticulous and detailed Dommen's telling of this complicated story is always judicious Nevertheless many people will find his analysis of the Diem coup a disturbing account of American plotting and murder This is an essential book for anyone who wants to understand Vietnam

and the people who fought against the United States and won Fodor's See It Vietnam, 3rd Edition Fodor's Travel Publications, Inc, Fodor's, 2012-09-04 Full color photography and a host of practical information highlight this series of user friendly travel guides which also include descriptions of local sites restaurants hostels shops and nightspots ratings of sites for value historic interest family friendly appeal and other criteria local itineraries and shopping suggestions travel suggestions transportation options and colorful maps Routledge Handbook of Contemporary Vietnam Jonathan D. London, 2022-07-29 The Routledge Handbook of Contemporary Vietnam is a comprehensive resource exploring social political economic and cultural aspects of Vietnam one of contemporary Asia's most dynamic but least understood countries Following an introduction that highlights major changes that have unfolded in Vietnam over the past three decades the volume is organized into four thematic parts Politics and Society Economy and Society Social Life and Institutions Cultures in Motion Part I addresses key aspects of Vietnam's politics from the role of the Communist Party of Vietnam in shaping the country's institutional evolution to continuity and change in patterns of socio-political organization political expression state repression diplomatic relations and human rights Part II assesses the transformation of Vietnam's economy addressing patterns of economic growth investment and trade the role of the state in the economy and other economic aspects of social life Parts III and IV examine developments across a variety of social and cultural fields through chapters on themes including welfare inequality social policy urbanization the environment and society gender ethnicity the family cuisine art mass media and the politics of remembrance Featuring 38 essays by leading Vietnam scholars from around the world this book provides a cutting edge analysis of Vietnam's transformation and changing engagement with the world It is an invaluable interdisciplinary reference work that will be of interest to students and academics of Southeast Asian studies as well as policymakers analysts and anyone wishing to learn more about contemporary Vietnam **Hanoi's War** Lien-Hang T. Nguyen, 2012-07-15 While most historians of the Vietnam War focus on the origins of U.S. involvement and the Americanization of the conflict Lien-Hang T. Nguyen examines the international context in which North Vietnamese leaders pursued the war and American intervention ended This riveting narrative takes the reader from the marshy swamps of the Mekong Delta to the bomb saturated Red River Delta from the corridors of power in Hanoi and Saigon to the Nixon White House and from the peace negotiations in Paris to high level meetings in Beijing and Moscow all to reveal that peace never had a chance in Vietnam Hanoi's War renders transparent the internal workings of America's most elusive enemy during the Cold War and shows that the war fought during the peace negotiations was bloodier and much more wide ranging than it had been previously Using never before seen archival materials from the Vietnam Ministry of Foreign Affairs as well as materials from other archives around the world Nguyen explores the politics of war making and peace making not only from the North Vietnamese perspective but also from that of South Vietnam the Soviet Union China and the United States presenting a uniquely international portrait **Foreign Service List**, 1948 Includes field staffs of Foreign Service U.S. missions to

international organizations Agency for International Development ACTION U S Information Agency Peace Corps Foreign Agricultural Service and Department of Army Navy and Air Force *After the War was Over* Neil Sheehan,1993 The Pulitzer Prize winning author of A Bright Shining Lie revisits the scene of his magisterial account of the war in Vietnam and reveals the country that is just beginning to emerge from the war s ashes Enlightening mesmerizing luminously clear The New York Times **William Colby and the CIA** John Prados,2009-10-08 It is surprising that no one previous to John Prados attempted a biography of quintessential cold warrior William Colby because his story is in many ways also the story of the CIA From Italy to Vietnam to the military coup in Indonesia to Watergate the prosecution of Richard Helms investigations of CIA assassination plots and the drugging and surveillance of unwitting Americans Colby was there on the ground or deeply involved at headquarters The Guardian William E Colby was one of the most enigmatic figures of the Cold War and a central player in the operations of the Central Intelligence Agency While publicly appearing as a calm bureaucrat behind the scenes Colby helped orchestrate some of CIA s most controversial operations His mysterious death even added to the aura In the wake of new questions relating to CIA activities since 9 11 which John Prados discusses in his new preface Colby s story provides crucial lessons for a nation that still struggles to reconcile intelligence methods with democratic principles Prados tracks Colby s life and career from early years in the OSS to his tumultuous tenure as Director of Central Intelligence in the 1970s Reviled by many outside the CIA for his role in Vietnam and inside it for his cooperation with probes of the agency Colby was cast as a scapegoat by the Ford White House during the Church and Pike congressional investigations In addition Prados offers fresh insights and new perspectives on Colby s involvement in the notorious Phoenix program in Vietnam and in the bloody Indonesian coup of 1965 that overthrew President Sukarno and brought General Suharto to power as well as on the CIA s role in the 1963 assassination of President Ngo Dinh Diem of South Vietnam and on the actions of high level CIA officials during the final demise of South Vietnam in 1975 A masterful study of a master spy William Colby and the CIA also offers a vital and timely history of the inner workings of the Company for which he worked Originally published in a cloth edition under the title *Lost Crusader* and retitled for this first paperback edition William Colby and the CIA explores dilemmas of intelligence that are of renewed importance today **Lost Crusader** John Prados,2003 John Prados is a senior researcher at the National Security Archive in Washington *Infantry* ,1964 *The Encyclopædia Britannica* ,1910 *The Encyclopaedia Britannica* Hugh Chisholm,1910 *Foreign Aeronautical News* ,1930 *Marigold* James Hershberg,2012-01-11 Marigold presents the first rigorously documented in depth story of one of the Vietnam War s last great mysteries the secret peace initiative codenamed Marigold that sought to end the war in 1966 The initiative failed the war dragged on for another seven years and this episode sank into history as an unresolved controversy Antiwar critics claimed President Johnson had bungled or worse deliberately sabotaged a breakthrough by bombing Hanoi on the eve of a planned secret U S North Vietnamese encounter in Poland Yet LBJ and top aides angrily insisted that Poland never had

authority to arrange direct talks and Hanoi was not ready to negotiate This book uses new evidence from long hidden communist sources to show that in fact Poland was authorized by Hanoi to open direct contacts and that Hanoi had committed to entering talks with Washington It reveals LBJ s personal role in bombing Hanoi as he utterly disregarded the pleas of both the Polish and his own senior advisors The historical implications of missing this opportunity are immense Marigold might have ended the war years earlier saving thousands of lives and dramatically changed U S political history

Assuming the Burden Mark Atwood Lawrence,2007-04-24 That decision he argues marked America s first definitive step toward embroilment in Indochina the start of a long series of moves that would lead the Johnson administration to commit U S combat forces a decade and a half later Jacket **Historical Dictionary of Ho Chi Minh City** Justin Corfield,2014-11-01 Offering a concise overview of Ho Chi Minh City s history and development the Historical Dictionary of Ho Chi Minh City presents a comprehensive historical survey of the city in the form of an alphabetical list of keywords and names with accompanying definitions Both well researched and authoritative the volume draws upon a wide range of modern sources and contains an introductory essay about the city a chronology a list of acronyms and abbreviations photographs and appendixes of supplemental information **Vietnam 1946** Stein Tonnesson,2010 Vietnam 1946 is a masterful narrative of the immediate origins of the first Vietnam War It is by turns vivid and shocking it is always immensely revealing T nnesson brings forensic clarity to crucial events about which even now some sixty years later fundamental misapprehensions exist An outstanding work of scholarship of major international importance Martin Thomas author of Empires of Intelligence T nnesson captures brilliantly the 1946 confrontation between two republics France determined to redeem itself from Axis humiliation by regaining Indochina Vietnam equally determined to retake independence after eighty years of colonial servitude T nnesson also demonstrates however that some leaders on each side really wanted a peaceful mutually beneficial outcome Descent into full scale war was not inevitable This is a carefully researched clearly written analysis of a vital moment in the 20th century history of both countries It is also a meditation on the elusive boundary between free will and determinism in human affairs David Marr author of Vietnamese Tradition on Trial 1920 1945 Stein T nnesson s Vietnam 1946 answers the fundamental question about the first of Vietnam s 20th century wars the one fought against the French how did it happen He has written a meticulously researched account which restores their contingency to the events The first Indochina war like those that succeeded it was not inevitable and T nnesson explains why and how it happened anyway Marilyn Young author of The Vietnam Wars 1945 1990 **The Directory & Chronicle for China, Japan, Korea, Indo-China, Straits Settlements, Malay States, Siam, Netherlands India, Borneo, the Philippines, &c** ,1920 With which are incorporated The China directory and The Hongkong directory and Hong list for the Far East
