**Reading and Writing for Civic Literacy** Donald Lazere, 2015-12-03 This brief edition of a groundbreaking textbook addresses the need for college students to develop critical reading writing and thinking skills for self defense in the contentious arena of American civic rhetoric Designed for first year or more advanced composition and critical thinking courses it is one third shorter than the original edition more affordable for students and easier for teachers to cover in a semester or quarter It incorporates up to date new readings and analysis of controversies like the growing inequality of wealth in America and the debates in the 2008 presidential campaign expressed in opposing viewpoints from the political left and right Exercises help students understand the ideological positions and rhetorical patterns that underlie such opposing views Widely debated issues of whether objectivity is possible and whether there is a liberal or conservative bias in news and entertainment media as well as in education itself are foregrounded as topics for rhetorical analysis

*Tao of Composition* Stuart Kantor, William Storey (Teacher), 2003-06-26 With the Tao of Composition no longer does producing a paper become a tedious process filled with endless redundancies and plagiarism Now students can learn and apply a basic organizational structure to their writing without wondering how to construct the basic elements of any academic essay No longer will you have to sit in front of the computer the night before the paper is due and regurgitate stream of consciousness drivel connected loosely with evidence

The Analytical Writer Adrienne

Robins,1995-09 In *The Analytical Writing* Adrienne Robins explains college writing as a process of discovery as a series of strategies that any college student can learn to apply All strategies explained in this text are based on sound theories of teaching writing and on the patterns of successful writers Writing and thinking should not be separated and presenting only the steps without the accompanying explanation of how they influence thinking would be of little more help than having no method at all By using this text the students will see as they plan draft and revise how their writing helps clarify their thoughts This clearly written and engaging textbook is illustrated by real examples of student writing and appropriate cartoons The second edition was revised and updated based on the large scale evaluation of the first edition completed by professors and students The new edition reflects four essential values recognizing the diversity of writing processes the necessity of peer and teacher interaction with the writer on drafts the integration of writing and reading and the appropriate uses of technology Specific features of this second edition include new writing samples electronic citation formats updated library use chapter with technological guidance concise paragraph chapter revised introduction and conclusion chapter rhetorical as well as grammatical explanations for punctuation usage new cartoons exercises drawn from students papers a condensed chapter on research papers and an expanded and clearer chapter on special assignments and other writing tasks A Collegiate Press book Rules for Writers with Writing about Literature (Tabbed Version) Diana Hacker,Nancy Sommers,2012-01-16 When it comes to value Rules rulesRules for Writers is a college writer s companion that covers writing grammar research and documentation in an extremely affordable and portable spiral bound format From the best selling family of handbooks Rules has consistently been the best value for college writers Now it s even more so The Seventh Edition actually teaches students how to make better use of their handbook With new material about how to integrate the handbook into lessons and class activities Rules for Writers is an even more useful tool for instructors We like Rules because it s affordable easy to use and flexible enough for multiple courses Anne Helms Alamance Community College **A Writer's Reference with Strategies for Online Learners** Diana Hacker,Nancy Sommers,2011-06-24 With *Strategies for Online Learners* Cover A Guide to Online Course Design Tina Stavredes,Tiffany Herder,2014-01-28 *A Guide to Online Course Design* offers faculty and professional staff a practical and easy to follow model for creating exceptional online courses that focuses on quality standards in instructional design transparency in learning outcomes and learner persistence A comprehensive resource the book includes effective research based instructional strategies to motivate online learners and help them become more self directed *A Guide to Online Course Design* emphasizes quality standards and removing barriers to learners persistence which ensures online courses meet the needs of online learners as well as distance education initiatives All faculty members and course designers regardless of experience level content background or technology skills can benefit from applying the approaches defined in this book The authors have imparted a wealth of knowledge that can improve the quality of any online class and I highly recommend this book for all those involved with online learning Anton G

*Digital Storytelling as Public History* Christina Fisanick,Robert O. Stakeley,2020-12-24 Digital Storytelling as Public History A Guidebook for Educators provides a practical methodology for teaching public history in the digital age Drawing on a long standing collaboration Fisanick and Stakeley examine how and why educators in all arenas should adopt digital storytelling as a means for encouraging interest in local and regional history The book shows readers how to implement the strategies necessary to help storytellers in a variety of settings create short films that showcase the collections at local and regional historical societies and museums It also teaches storytellers higher executive functions such as independent project management peer and self critique and rhetorical savviness By guiding

storytellers through this process of creating public history digital stories the book enables them to become connected to communities improve their understanding of regional history and expand their knowledge of the preservation of historical artifacts Supported by online handouts and offering a comprehensive methodology for educators this is the ideal guide for those teaching public history in the digital age across a range of educational settings including the classroom museum and community

**Writing the Classroom** Stephen E. Neaderhiser, 2022-11-21 Writing the Classroom explores how faculty compose and use pedagogical documents to establish classroom expectations and teaching practices as well as to articulate the professional identities they perform both inside and outside the classroom The contributors to this unique collection employ a wide range of methodological frameworks to demonstrate how pedagogical genres even ones as seemingly straightforward as the class syllabus have lives extending well beyond the classroom as they become part of how college teachers represent their own academic identities advocate for pedagogical values and negotiate the many external forces that influence the act of teaching Writing the Classroom shines a light on genres that are often treated as two dimensional with purely functional purposes arguing instead that genres like assignment prompts course proposals teaching statements and policy documents play a fundamental role in constructing the classroom and the broader pedagogical enterprise within academia Writing the Classroom calls on experienced teachers and faculty administrators to critically consider their own engagement with pedagogical genres and offers graduate students and newer faculty insight into the genres that they may only now be learning to inhabit as they seek to establish their personal teacherly identities It showcases the rhetorical complexity of the genres written in the service of pedagogy not only for students but also for the many other audiences within academia that have a role in shaping the experience of teaching Contributors Michael Albright Lora Arduser Lesley Erin Bartlett Logan Bearden Lindsay Clark Dana Comi Zack K De Piero Matt Dowell Amy Ferdinandt Stolley Mark A Hannah Megan Knight Laura R Micciche Cindy Mooty Dustin Morris Kate Navickas Kate Nesbit Jim Nugent Lori A Ostergaard Cynthia Pengilly Jessica Rivera Mueller Christina Saidy Megan Schoen Virginia Schwarz Christopher Toth
