Oldford, 2012-12-06 This volume is a selection of papers presented at the Fourth International Workshop on Artificial Intelligence and Statistics held in January 1993 These biennial workshops have succeeded in bringing together researchers from Artificial Intelligence and from Statistics to discuss problems of mutual interest The exchange has broadened research in both fields and has strongly encouraged interdisciplinary work The theme of the 1993 AI and Statistics workshop was Selecting Models from Data The papers in this volume attest to the diversity of approaches to model selection and to the ubiquity of the problem Both statistics and artificial intelligence have independently developed approaches to model selection and the corresponding algorithms to implement them But as these papers make clear there is a high degree of overlap between the different approaches In particular there is agreement that the fundamental problem is the avoidance of overfitting i.e. where a model fits the given data very closely but is a poor predictor for new data in other words the model has partly fitted the noise in the original data      *How to Get Into Medical School* Christopher See, 2010-08-03 The medical school application procedure can be a cause of great stress for its applicants as well as their parents The pressure to complete complicated forms and undergo extensive revision as well as the additional anxieties about work experience make it difficult to know where to start *How To Get into Medical School* offers practical help and advice on all of these subjects and more It gives you a clear idea of what is required and desired for medical school applications real life examples with key learning points of what to avoid and how as well as sample test questions from the UKCAT and BMAT exams It is written by a doctor who qualified in medicine from Trinity College Cambridge and who also prepares high school children with potential for applications to Oxbridge and top universities in the UK and US for the subjects of science and medicine Online resources for this book include downloadable templates including sample letters essays and work experience diary      [350 Interview Questions & Answers for ITIL 4 Strategic Leader - PeopleCert / AXELOS ITIL 4 Strategic Leader Certification Referenced](#) CloudRoar Consulting Services, 2025-08-15 Are you aiming to progress into a leadership role in IT service management particularly aligned with strategy transformation and governance 350 Interview Questions Answers for ITIL 4 Strategic Leader PeopleCert AXELOS ITIL 4 Strategic Leader Certification Referenced by CloudRoar Consulting Services is your definitive guide This book is tailored to help you build confidence and depth in the skills that organisations expect from strategic IT leadership without being a pure exam cram guide ITIL 4 Strategic Leader SL a designation by PeopleCert AXELOS recognizes professionals who lead in digitally enabled services and demonstrates how IT directs shapes and supports business strategy peoplecert.org 2 axelos.com 2 While this book does not replace official training or exams its Q A sets reflect knowledge areas from the SL stream especially the two modules Strategist Direct Plan Improve DPI and Leader Digital IT Strategy DITS peoplecert.org 1 Inside you will find 350 expertly crafted questions with model answers covering
