As a pupil societal worker, I was required to finish a Child observation over a period of six hebdomads. In order to fix I had to make up one's mind the kid and household I wanted to detect, on this juncture I decided I would detect a kid from a assorted race back land of age 0-12 months. The kid I observed was 12 months from a individual parent household and had three older siblings, the observation took topographic point at her place after I acquired consent from the female parent I started my undertaking. It was indispensable to understand what observation was and I determined that it is an informed manner of sing or looking at something that raises consciousness and increases apprehension.

At the start of the observation I felt really uncomfortable being in unfamiliar district, I felt that it was unjust for me to subject this household to my ain values, rules and bias. Although I felt that my chosen environment in which to detect was the right one, I had great concerns of my deficiency of experience and how the household would react to me as an foreigner in their lives. I was besides really dying about how this procedure would impact me as a parent and my parenting accomplishments or deficiency of it was an intense minute. I questioned whether my function as an perceiver was truly necessary but I had to acquire apprehension of what observation was and meant to me. Trevithick ( 2012, pg: 169 ) stated "œ that we learn a batch by detecting others and as such learn what is being transmitted through tone of voice, volume, modulation, position and gestures. "œ

## Parent Child Observation Report

As I observed the kid I realised that I learnt a great trade non merely as an perceiver but as a female parent and contemplation on my ain childhood, upbringing and old occupation function. There was a great trade of idea about the emotional impact of the observation on myself as the perceiver. First I learnt the importance of observation, I realised that it was really indispensable to watch and listen than to talk because a great trade is achieved by watching, listening and being soundless. Baldwin ( 1994, pg 83 ) stated through observation one is "œ hearing and valuing the voice of the ascertained "œ , and I believed that without words being said there was a connexion between the kid and I. ( ability to stay degage to suspend opinion and chorus from engagement, being cognizant of feelings and attitudes evoked, non originating interaction, Precise entering which distinguishes what really happened from what reading.

Second I learnt that observation is a accomplishment that is learnt and acquired with preparation and pattern. Before this undertaking as a household support worker I was required to detect peop
