

# Sample Argument Outline

The following is a basic outline of an argument essay. Keep in mind that this is only one kind of possible organization; there are several ways to structure an effective argument. Outlines can also vary in the amount of detail. Always check with your instructor if you are unsure about the organization of your essay. (Disclaimer: the following argument is used as an example and is not intended to represent the views of the UWC.)

## Introductory Section

**Thesis** (claim and reason): The American government should lift economic sanctions against Iraq, because this policy does more harm than good for both countries.

## Body Sections

### Section I

*Claim:* The sanctions have not accomplished their goal.

*Evidence:* logical appeal (facts, expert authority)

- Saddam Hussein is still in power
- other dictators have withstood sanctions (Fidel Castro)

### Section II

*Claim:* Rather than hurting Saddam, the sanctions only make life worse for the common people of Iraq

*Evidence:* logical appeal (statistics), ethical appeal (fair, humane), emotional appeal

- goes against American ideals of helping other people
- thousands of Iraqi children die each month sanctions continue
- restrictions on medicine and food hurt the poorest people first

### Section III

*Claim:* Lifting sanctions would benefit the American economy by increasing oil production

*Evidence:* logical appeal (facts), emotional appeal

- would cut down on gas and oil prices

### Section IV -- Dealing with the Opposition

*1st Opposing View:* Sanctions are necessary to prevent Iraq from supporting terrorists and becoming a regional problem again

*Strategy for Response:* Concede that we want to prevent more conflict and stop terrorism...but we should lift sanctions gradually, and maintain a military presence in the area (compromise)

*2nd Opposing View:* Lifting sanctions would make the U.S. look weak

*Strategy for Response:* It is the humane and fair action to take; also, sanctions contribute to hatred of the United States and encourage terrorist sentiment (rebuttal)

## Conclusion

End with a conclusion that suggests the larger importance of this issue, and why we should care. Create a final statement that is powerful and memorable.

# Sample Debate Paper Outline

**N. Andre Cossette**

## Sample Debate Paper Outline:

*Expertise in Second Language Writing Instruction* Alan Hirvela, Diane D. Belcher, 2024-11-25 Despite growing interest in L2 writing teachers there is a dearth of published works that specifically delve into the nuances of the development of L2 writing teacher expertise Informed by relevant foundational theory and empirical research this book addresses this crucial gap in the understanding of expertise in L2 writing instruction This book offers a holistic analysis of L2 writing instruction serving as a valuable resource for those involved in the development of L2 writing teacher educators as well as novice teachers striving to hone their skills in teaching L2 writing It draws from a wide array of international perspectives on the conceptualization of L2 writing teacher expertise and research in this domain Significantly it is the first comprehensive work that places expertise in L2 writing instruction at the forefront It will interest scholars in the disciplines of foreign and second language education as well as postgraduate students and aspiring teachers

*Teaching Advanced Language Skills through Global Debate* Tony Brown, Jennifer Bown, 2014-12-15 Using debate to develop advanced competency in a second language is a method that is finding increased interest among instructors and students alike whether in synchronous online teaching or the individual classroom Through debate students learn how to make hypotheses support their conclusions with evidence and deploy the rhetoric of persuasion in the target language Though this method provides an exciting pedagogy for moving students from the advanced to the superior level there is a paucity of materials available for instructors who wish to plan a curriculum focused on debate Teaching Advanced Language Skills through Global Debate Theory and Practice provides teachers with both the theoretical underpinnings for using debate in the foreign language classroom as well as practical advice for developing reading listening writing and speaking skills through debate It discusses task based language learning and helps instructors design debate related tasks for the classroom Teaching Advanced Language Skills through Global Debate will be useful for any instructor working at the advanced level and particularly for those training future language instructors One of the new digital short publications available through Georgetown University Press it is an ideal complement to the press's new titles on mastering languages through global debate Georgetown Digital Shorts longer than an article shorter than a book deliver timely works of peer reviewed scholarship in a fast paced agile environment They present new ideas and original texts that are easily and widely available to students scholars libraries and general readers
