Traxxas electronic components are warranted to be free from defects in materials and workmanship for a period of thirty (30) days from the date of purchase. Electronic components covered by the warranty include: receiver, servos, switches, chargers, amplifiers, and receiver battery holders, and any other Traxxas electronic component. See the additional limitations that apply.

Chassis and Drivetrain

The chassis and drivetrain consist of all remaining parts of the model that are not considered electronic. This includes steering motor,

Your new model is considered to be a hobby class model. The Traxxas hobby class model is designed to be a fun-to-use model, and is not intended to be used in competitive racing or other high performance applications. Because our products are high performance hobby class models that operate at a much higher level of performance than a "toy" model, we provide maintenance and are intended to be used in high performance applications over an extremely wide range of running conditions, and therefore, no warranty is provided or implied that cover damage caused by normal use or wear or abuse or simply how long any chassis or motor part will last before requiring replacement due to wear. Parts will wear from use and eventually require replacement. The chassis and drivetrain are only covered against manufacturing defects in materials, workmanship or assembly when they are not before being used.

If any component is found to be defective, internally made, or externally sourced within the warranty coverage time period (where applicable), it will be repaired or replaced at Traxxas' sole discretion. This will be done within a reasonable time period, and free of charge. If you believe a defect in materials, workmanship or assembly was not apparent about the product when new and

only became evident after the product was used, then please call us at 1-800-TRAXXAS. We will evaluate our products and equipment and attempt to do our best to make sure you are satisfied with your Traxxas product.

Limitations

Any and all warranty coverage does not cover replacement of parts and components damaged by abuse, neglect, improper or unreasonable use, crash damage, water or excessive moisture, chemical damage, improper or improper maintenance, accident, unauthorized alteration or modification or items that we considered reasonable. Traxxas will not pay for the cost of shipping or transportation of a defective component to us. We make the return a charge. Also, warranty is limited to the charge only and does not cover batteries, switches, and other accessories used in connection with the charge.

Your Hobby Dealer's Role

All warranty claims are handled directly by Traxxas. Your dealer can assist you in contacting Traxxas and determining what components might be defective, but he is under no obligation to provide free replacement parts or service. Traxxas does not authorize dealers to make such the return exchanges or refunds for Traxxas products that have been used. Traxxas will make the sole and final determination if a product is component or the covered under warranty.

Traxxas shall not be liable for any special, indirect, incidental, or consequential damages arising out of the assembly, installation, or use of these products in any capacity or otherwise required to use these products. By the act of operating using the product, the user accepts all liability (including to his own self) that Traxxas liability cannot be actual purchase price paid for the product. Traxxas reserves the right to modify warranty provisions without notice. All warranty claims will be handled directly by Traxxas. The term "Traxxas" shall refer to the product's production. We at Traxxas Traxxas is not obligated to provide replacement products at a reduced rate when a previous product's production is no longer available.
