

PRAYER TO DEDICATE A CHILD TO GOD

Dear God,
Thank you for the gift of this beautiful child.
Thank you for entrusting us to teach and help
this child grow.

Father, We dedicate this child to you today.
You have given this child to us but we know
that they belong to you and so we pray that
you will watch over them and protect them
always.

Take evil eyes and evil minds of this child and
cover them with the blood of Jesus Christ.

Please let your Holy Spirit come and be their
friend to help them grow in you and love you.

Bless this child and let all that they do be
fruitful. Let them grow in grace through grace
to grace.

Give us strength and wisdom to raise this child
right. Fill us with peace and love, so this child
can grow in a loving home.

Thank you for your love and guidance through
Jesus Christ our Lord,

Amen

Lowe, 2017-03-31 Ritualized Writing takes readers into the fascinating world of Japanese Buddhist manuscript cultures Using archival sources that have

received scant attention in English primarily documents from an eighth century Japanese scriptorium and colophons from sutra manuscripts Bryan D Lowe uncovers the ways in which the transcription of Buddhist scripture was a highly ritualized endeavor He takes a ground level approach by emphasizing the activities and beliefs of a wide range of individuals including scribes provincial patrons and royals to reassess the meaning of scripture and reevaluate scholarly narratives of Japanese Buddhist history Copying scripture is a central Buddhist practice and one that thrived in East Asia Despite this there are no other books dedicated to the topic This work demonstrates that patrons and scribes treated sutras differently from other modes of writing Scribes purified their bodies prior to transcription Patrons held dedicatory ceremonies on days of abstinence when prayers were pronounced and sutras were recited Transcribing sutras helped scribes and patrons alike realize this and other worldly ambitions and cultivate themselves in accord with Buddhist norms Sutra copying thus functioned as a form of ritualized writing a strategic practice that set apart scripture as uniquely efficacious and venerable Lowe employs this notion of ritualized writing to challenge historical narratives about ancient Japan late seventh through early ninth centuries a period when sutra copying flourished He contends that Buddhist practice fulfilled a variety of social political and spiritual roles beyond ideological justification Moreover he demonstrates the inadequacy of state folk dichotomies for understanding the social groups institutions and individual beliefs and practices of ancient Japanese Buddhism highlighting instead common organizations across social class and using models that reveal shared concerns among believers from diverse social backgrounds Ritualized Writing makes broader contributions to the study of ritual and scripture by introducing the notion of scriptural cultures an analytic tool that denotes a series of dynamic relationships and practices involving texts that have been strategically set apart or ritualized Scripture Lowe concludes is at once a category created by humans and a body of texts that transforms individuals and social organizations who come into contact with it

Day,2010-10-28 By the end of the Archaic period Greek sanctuaries were bursting with dedications including many that bore epigrams This study views dedications comprehensively as sites of ritual efficacy and in particular it recovers epigrams reflections of and contributions to that efficacy and restores them to an important place in the panorama of Greek religious practice In order to reconstruct the Archaic experience of reading and viewing the book draws on studies of traditional poetic language as resonant with

immanent meaning early Greek poetry as socially and religiously effective performance and viewing art as an active response of aesthetic appreciation It argues that reading epigrams while viewing dedications generated effects of religious ritual and poetic performance and that visual and verbal representation of the dedicator's act of offering associated that rite with similar effects thereby framing the experiences of readers and viewers as reperformances of the earlier occasion *The Gathering of Vidyadharas* Jigme Lingpa, Patrul Rinpoche, Khenpo Chemchok, Khangsar Tenpa'i Wangchuk, 2017-09-26 One of the most important sadhana cycles in the Nyingma school of Tibetan Buddhism the Rigdzin D pa or Gathering of the Vidyadharas is practiced by tens of thousands of practitioners around the world This inner guru practice focuses on Padmasambhava as the central figure and is one of the three root sadhanas of the Longchen Nyingtik treasure cycle revealed by the great Jigme Lingpa This book will help readers mature their practice with invaluable instructions and commentary from some of the greatest Tibetan masters to have ever lived including Patrul Rinpoche Jamg n Kongtrul L dro Tay and more This book is for those who have received the reading transmission for the Rigdzin D pa Until such time as you receive the transmission you can keep it on your shrine **Basic Prayer Patterns** Dr. D.
