

# Thank You

## VC's SPEECH FOR AWARDS CEREMONY, 26 April 2016

Ladies and gentlemen

What a great day, what a great evening! I am grateful for the opportunity to welcome you tonight! Our core values of excellence, innovation, collaboration and accountability are the foundation of our commitment to help you grow - intellectually, personally, professionally, and culturally.

Our mission is to provide each student with an outstanding education that's affordable and accessible. We are committed to serving you in a manner that challenges you to learn and achieve while supporting and strengthening your ability and capacity to do great things. We are thankful for your confidence in us and we pledge to justify that confidence as you continue your education at this University.

And so, I'm honoured and pleased to welcome you here tonight and to thank you for accepting our invitation to share this moment of joy with us.

Tonight, we acknowledge and reward the "academic celebrities" for their performance. A performance rooted in focus, dedication, hard work and a desire to excel. I believe I would not be too presumptive to think that these "academic stars" all have humble beginnings. Humble in their societal ranking, humble in their upbringing and humble in their conduct. But humble does not mean poor in spirit or the lack ambition or intelligence, because even the seemingly timid ones have shown us that their determination is simply concealed by their appearance. As the saying goes, "don't judge a book by its cover."
