Bad Therapy Abigail Shrier, 2024-02-27 From the author of *Irreversible Damage* an investigation into how mental health overdiagnosis is harming not helping children A pacy no holds barred attack on mental health professionals and parenting experts thought provoking Financial Times A message that parents teachers mental health professionals and policymakers need to hear New Statesman In virtually every way that can be measured Gen Z s mental health is worse than that of previous generations Youth suicide rates are climbing antidepressant prescriptions for children are common and the proliferation of mental health diagnoses has not helped the staggering number of kids who are lonely lost sad and fearful of growing up What s gone wrong In *Bad Therapy* bestselling investigative journalist Abigail Shrier argues that the problem isn't the kids it's the mental health experts Drawing on hundreds of interviews with child psychologists parents teachers and young people themselves Shrier explores the ways the mental health industry has transformed the way we teach treat discipline and even talk to our kids She reveals that most of the therapeutic approaches have serious side effects and few proven benefits for instance talk therapy can induce rumination trapping children in cycles of anxiety and depression while gentle parenting can encourage emotional turbulence even violence in children as they lash out desperate for an adult to be in charge Mental health care can be lifesaving when properly applied to children with severe needs but for the typical child the cure can be worse than the disease *Bad Therapy* is a must read for anyone questioning why our efforts to support our kids have backfired and what it will take for parents to lead a turnaround

Simplify Your Writing Instruction April Smith, 2023-10-31 Set up your writing block quickly and easily with a simple research based framework Schools need their writing instruction simplified Most classrooms share writing time with another subject making it difficult for students to receive the direct writing instruction they need Between the lack of time increased gaps in writing skills and inconsistent writing curriculum teachers are struggling to bring their students up to grade level *Simplify Your Writing Instruction* provides you with a classroom tested framework that helps you set up your writing block within the limited time and resources you have Step by step this practical guide shows you how to amplify your students writing skills employ simple feedback opportunities and interventions streamline your lessons use simple differentiation techniques to help reach students of all ability levels and more Author April Smith is a former teacher who has trained more than 50 000 K 12 educators on best practices for writing instruction While in the classroom she learned that having simple and consistent systems in place is critical Accordingly none of the tasks and strategies will require you to create or prep anything complicated or time consuming In *Simplify Your Writing Instruction* you will find easy to use checklists implementation tasks customizable templates student writing samples helpful tables and charts and a simple spreadsheet that you can use to plan

your lessons and modify your teaching to meet the needs of each writer Be confident and supported in your writing instruction Simplify Your Writing Instruction will teach you how to Implement the Simple Pre Assessment Process in your classroom Encourage authentic writing practice at home Differentiate your lessons to reach your Special Education ELL and Gifted students Integrate grammar naturally and optimize student output after each lesson Split the writing process into efficient and effective 10 to 15 minute mini lessons Make writing a priority by incorporating writing application into other subjects Use a simple pre assessment to get a better overall picture of what your students can do Utilize more complex strategies such as small group work and conferring Packed with expert advice and easy to follow strategies Simplify Your Writing Instruction A Framework for a Better Writing Block is a must have resource for all K 12 educators and teachers in training

Languageing Relations for Transforming the Literacy and Language Arts Classroom Richard Beach, David Bloome, 2019-03-05 Applying a languaging perspective this volume frames the teaching and learning of literacy literature language and the language arts as social and linguistic actions that generate new questions to make visible social cultural psychological linguistic and educational processes Chapter authors explore diverse aspects of a languaging framework the perspective of language as a series of ongoing and evolving interactional social actions and processes over time Based on their research the authors suggest directions for addressing substantive engagement as well as the marginalization superficiality and violence symbolic and otherwise that characterize the educational experience of so many students Responding to the need to foster and support students intellectual social and affective worlds this book showcases how languaging relations among teachers and students can deepen interactions and engagement with texts enhance understandings of agency personhood and power relations in order to transform literacy literature and language arts classrooms and improve the lives of teachers and students in educational settings
